Directions to Ethnography & Evaluation Research (E&ER), CU Boulder

E&ER is located at 3100 Marine Street, on the east campus of the University of Colorado Boulder. We are in the Administration and Research Complex (ARC), Building 73 on the map below.

To get to E&ER and the University of Colorado east campus, you have several options.

1. The Stampede, Jump, and Bound bus lines stop nearby. See http://rtd-denver.com/ for schedules, maps, and ways to connect to these lines.

2. The city of Boulder has good bicycle infrastructure and there are bike racks near our building on the southwest and northeast corners. We are near the Boulder Creek bike path. For maps, see https://bouldercolorado.gov/goboulder/bike

3. To get here by car from westbound U.S. 36 West (CO Hwy 119/28th St.), e.g. coming from Denver or the airport:
   a. Exit east (right) onto Baseline Rd. Get into the left lane before the first traffic light.
   b. Turn north (left) onto 30th Street and then through two traffic lights (Aurora and Colorado).
   c. Turn east (right) into the parking area just after (just north of) the orange brick, two-story building at 1540 30th Street, across the street from Scott Carpenter Park. (If you miss this turn, take the next right onto Marine St. and you will come out on the north side of ARC instead of the south.)
   d. Follow the driveway between the two brick buildings; ARC will be the next building on your left. There are parking meters along the drive and a big parking lot to the right (for which you need a permit, business hours).

Our offices are on the 2nd floor of the ARC building (73), southeast wing. Enter the main, rear entrance of ARC from the parking lot (south) side, or from the Marine St. (north) side, take the elevator to the second floor, and head left out of the elevator toward the A wing on the south side of the building. Turn left again when you run out of hallway. E&ER’s offices are at the end of this hall, room numbers A230-A237 or thereabouts.
