Dave Wergin, Director
Environmental Health & Safety
University of Colorado at Boulder
Campus Box 375
Boulder, Colorado 80309-0375

Dear Mr. Wergin:

As chief academic and administrative officer of the University of Colorado at Boulder, and pursuant to Article 3.B.7 of the *Laws of the Regents*, I have the responsibility and the authority to control and supervise the departments and affairs of the University of Colorado at Boulder.

I hereby delegate to you and to your staff the power to act as the custodian of the University of Colorado at Boulder for the purpose of enforcing the *Laws of Regents*, applicable municipal ordinances, and state and federal statutes specific to environmental health and safety. This power to act shall include, but not be limited to:

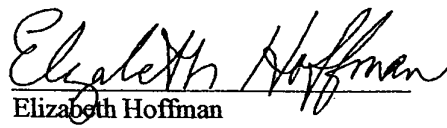

1. Performing health and safety inspections and surveys, making sure that campus operations comply with local, state, federal and other applicable health, safety and environmental regulations and standards;
2. Reviewing and approving campus projects and activities as they relate to applicable health, safety and environmental regulations and standards;
3. Developing and issuing policies/procedures that clarify environmental health and safety issues and responsibilities at UCB.
4. Acting in an advisory capacity to students, faculty and staff in matters pertaining to safety, health, and environmental compliance;
5. Acting as liaison between UCB and local, state, federal and other agencies in matters pertaining to safety, health, and environmental compliance;
6. Suspending activities, operations and close areas where imminently dangerous conditions and/or non-compliance with regulatory requirements exist.

Sincerely,

Richard L. Byyny, M.D.
Chancellor

APPROVED:

Elizabeth Hoffman
President
