Additive alternates will not be used if deductible alternates are used and deductible alternates will not be used if additive alternates are used.

Additive Alternates
Refer to specification section 01030 for descriptions of add alternates. If the add alternates are accepted, the base bid would be modified by the amount entered by the bidder.

Add Alternate 1 - The contractor will perform all work within the base bid with the following changes: The contractor shall provide all materials, labor, testing, erosion control, traffic control, and permitting to install and place in service a new waterline from approximately North Broadway Street to the East Side of the Macky Auditorium service line connection. The construction includes approximately 232 LF of an 8” Fusible PVC C900 DR18 supplied by Underground Solutions, Inc. directional bore and approximately 800 LF of open trench installation with associated appurtenances. Alternate No. 1 shall be issued as a lump sum cost or credit.
