- **Engineering General Notes:**
- 1. **Special Requirements:** The contractor shall follow the project standards and specifications for the project. Any construction work conducted without the specific approval of the Project Engineer or Architect may result in rejection of work. A written authorization to perform construction work at a site is required for any work not covered by the project plans.

- 2. **Special Requirements:** The contractor shall notify the owner in writing of any changes to the site conditions. Changes in site conditions shall be documented and submitted to the owner for approval.

- 3. **Special Requirements:** The contractor shall ensure that all work is performed in accordance with the approved plans and specifications. Any deviation from the approved plans or specifications shall be reported to the owner in writing.

- 4. **Special Requirements:** The contractor shall ensure that all work is completed in accordance with the approved plans and specifications. Any deviation from the approved plans or specifications shall be reported to the owner in writing.

- 5. **Special Requirements:** The contractor shall ensure that all work is completed in accordance with the approved plans and specifications. Any deviation from the approved plans or specifications shall be reported to the owner in writing.

- 6. **Special Requirements:** The contractor shall ensure that all work is completed in accordance with the approved plans and specifications. Any deviation from the approved plans or specifications shall be reported to the owner in writing.

- 7. **Special Requirements:** The contractor shall ensure that all work is completed in accordance with the approved plans and specifications. Any deviation from the approved plans or specifications shall be reported to the owner in writing.

- 8. **Special Requirements:** The contractor shall ensure that all work is completed in accordance with the approved plans and specifications. Any deviation from the approved plans or specifications shall be reported to the owner in writing.

- 9. **Special Requirements:** The contractor shall ensure that all work is completed in accordance with the approved plans and specifications. Any deviation from the approved plans or specifications shall be reported to the owner in writing.
