Question: Are the stairs in Reed rated for the weight of the transformers?

Answer: The stairs and the sidewalk over the tunnel are rated at 100 psf.

Question: What is the weight limit for the sidewalks around Reed for equipment access?

Answer: The rest of the sidewalks are rated at 250 psf. The tunnel runs east-west between Reed Hall and Crossman Hall.

End Q&A- Addendum -01

Reminder, RFP Submittal responses are due no later than 3/28/2013.
