### **ADDENDUM #2**

The following items shall amend the "Issue For Bids-Revised" documents, dated 4/15/10, for the Museum Collections (MCOL) & Armory (ARMR) Window Replacement Project (PR004637).

#### General:

1. Owens Corning fiberglass windows as manufactured by Armaclad, Chicago, IL, have been approved as a substitute for this project.
2. An updated "General Conditions of the Construction Contract" has been issued, and is posted on the "Open Submittals & Public Bids" section of the CU Facilities Management website.
