CP004591 CU Mountain Research Station Kiowa Lab Addition
Addendum #1

1. Please note the correct Project Number on this addendum. It is CP004591, not PR004594.
2. Reference attached drawing. Room 114 in the Marr Laboratory will be available at no cost throughout the construction duration for use by the General Contractor. Access to the wireless network will be available at no cost. Currently AT&T is the only cellular phone provider in the area with coverage.
3. The official bid schedule is as follows:
 - a. Questions and substitutions due: Thursday, September 2, 2010, 3:00pm
 - b. Addenda due: Tuesday, September 7, 2010, 3:00pm
 - c. Bids due: Friday, September 10, 2010, 2:00pm. Bids are due in a sealed envelope and time-stamped at the front desk at RL-2, third floor. The physical address of the RL-2 building is 1540 30th Street in Boulder.
4. Contrary to the bid documents, any excess dirt is to be hauled off site.
5. The removal of trees remains the responsibility of the General Contractor.
6. to be used are found here:
