**Subject: CP142789 – Recreation Facilities Improvements  
Notice 11-21**

After review of the Step 2 – Oral Interviews and Cost Proposals, the firm selected is Saunders Construction, Inc. Five firms were interviewed:

- Saunders Construction, Inc.
- M.A. Mortenson Company
- Turner Construction Company
- Whiting – Turner Contracting
- Fransen Pittman with Sundt Construction Company

All five firms interviewed were very qualified and we certainly appreciate the interest and the time spent on our behalf.

Again, thank you for your participation.

Sincerely,
