**Pre-qualification for HLET – Hallett Reclamation Project  
PR 004653**

Notice is hereby given to **GENERAL** Contractors that the University of Colorado at Boulder will pre-qualify bidders to bid this project.

Note carefully, this pre-qualification is unique to this project, any other previous pre-qualification with the University of Colorado at Boulder or State Buildings Programs is insufficient to pre-qualify to bid this project.

To be considered for pre-qualification to bid this project, General Contractors must attend a **mandatory** Pre-submittal meeting on November 24, 2009 at Research Laboratory No. 2, Conference Room 321, at 2:00 PM. and can pick up the pre-qualification documents detailing submittal requirements from:

Cynthia McClure-Begley – [Cynthia.mcclure-begley@colorado.edu](mailto:Cynthia.mcclure-begley@colorado.edu) or from the web site:  
<http://www.colorado.edu/facilitiesmanagement/pdc/construction/open.html>

Statements of interest will be accepted at the above office no later than **1:00 PM on Tuesday, December 21, 2009.**

The pre-qualification documents detail specific submittal requirements. The documents further detail minimum experience and other requirements of General Contractors to be considered for pre-qualification.

BRIEFLY, THE MINIMUM REQUIREMENTS ARE:

- a. Has continuously maintained a Colorado office for the last five years.
- b. Successful completion within in the last five years, in the capacity of General Contractor, of at least three renovation projects similar to the project described in Section A, Item II for public or quasi-public.
- c. The adjusted completed Construction Contract amount of at least one these projects shall be **\$2,600,000.00** or greater, and at least one project shall have been completed by the Project Manager and Superintendent proposed for this project. Enclose resumes of these and other key personnel. Demonstrate that the Project Manager and or Superintendent has experience with similar projects, close owner/operator coordination, and quality management experience.
- d. Certified bonding capacity of \$2,600,000.00 each per labor and materials payment bond and performance bond, certified capability of obtaining Builder's risk insurance at a value of \$2,600,000.00 and corporate excess general and automobile liability insurance at a value of \$1,000,000.00 naming the Regents of the University of Colorado, a body corporate, and the State of Colorado as additional insured.

## **SECTION A: Introduction**

### ITEM I: Intent:

The Regents of the University of Colorado at Boulder requests submittals for pre-qualification of General Contractors for Construction Project titled **HLET – Hallett Reclamation Project**. It is the intent of the Department of Facilities Management to pre-qualify General Contractors for bidding this major construction project in accordance with Colorado Revised Statutes 24-92-107, 24-103-402, and 24-30-1303 (1) (Q) and in accordance with Section 3-402.01 of the Colorado Procurement Rules. Pre-qualification will be necessary for bidding this project. This pre-qualification process is unique to this project and notwithstanding other pre-qualification by the State Buildings Division and the University of Colorado, all contractors wishing to bid the project must be pre-qualified as defined in this document.

Please note carefully that the process herein defined requires that contractors to be considered for pre-qualification must have at a minimum:

- a. Has continuously maintained a Colorado office for the last five years.
- b. Successful completion within in the last five years, in the capacity of General Contractor, of at least three renovation projects similar to the project described in Section A, Item II for public or quasi-public.
- c. The adjusted completed Construction Contract amount of at least one of these projects shall be **\$2,600,000.00** or greater, and at least one project shall have been completed by the Project Manager and Superintendent proposed for this project. Enclose resumes of these and other key personnel. Demonstrate that the Project Manager and/or Superintendent have experience with similar projects, close owner/operator coordination, and quality management experience.
- d. Certified bonding capacity of \$2,600,000.00 each per labor and materials payment bond and performance bond, certified capability of obtaining Builder's risk insurance at a value of \$2,600,000.00 and corporate excess general and automobile liability insurance at a value of \$1,000,000.00 naming the Regents of the University of Colorado, a body corporate, and the State of Colorado as additional insured.

These minimum requirements to be considered for pre-qualification are further defined hereafter.

It is further the intent of the University of Colorado at Boulder that after pre-qualification of General Contractors for this project, the pre-qualified contractors will be invited to bid the project conventionally with the intent of awarding to the lowest responsible bidder based on the apparent low bid of the entire project. The major subcontractors, of the lowest responsible bidder, will be post-qualified based upon qualifications and experience as required by the contract documents.

### ITEM II: Project Description:

The University of Colorado at Boulder is looking for qualified General Contractors to pre-qualify to bid on the Hallett Hall Recommissioning Project. Hallett Hall is a 93,467 sq. ft. 4-story building constructed in the 1950's as a student dormitory, beginning in the 1970's the lower level of the building was converted to administrative office space. This project proposes the re-commissioning of the Hallett Hall lower level Administrative office space back to residence hall use. Total project area approx. 22,000 square feet.

ITEM III: Project Financing:

N/A

ITEM IV: The Pre-qualification Process:

In accordance with the schedule outlined hereafter, contractors are invited to submit their qualifications for consideration for pre-qualification to **Keith Gardner, Department of Facilities Management of the University of Colorado at Boulder, Delivery address: Research Laboratory No. 2, 1540 30<sup>th</sup> Street, 3<sup>rd</sup> Floor Reception Desk, Boulder, CO 80303. Mailing address: Campus Box 453 UCB, Boulder, Colorado 80309-0453.** Submittal requirements are outlined in Section B of this request. General criteria used for judging the submittals are outlined in Section C. Certain minimum qualifications as described in Section C will be required of all contractors to be pre-qualified to bid this project. **CONTRACTORS SHOULD READ THESE CAREFULLY.** The University of Colorado at Boulder assumes no responsibility or liability for any costs incurred by any contractor associated with this pre-qualification process. Contractors are advised to use the index of this document as a checklist; completeness is required. Contractors' submittals shall follow the format of Index, Section B.

The Department of Facilities Management of the University of Colorado at Boulder will assemble a panel of persons associated with the project and construction industry to score the submittals based upon the criteria outlined.

This document consists of all the information available. Questions about this document may be addressed only in writing to:

Keith Gardner, Project Manager  
University of Colorado  
Department of Facilities Management  
1540 30<sup>th</sup> Street, 3<sup>rd</sup> Floor  
Research Laboratory No. 2  
Campus Box 453 UCB  
Boulder, Colorado 80309-0453  
Or e-mail to: [Keith.Gardner@colorado.edu](mailto:Keith.Gardner@colorado.edu)

No telephone communication regarding the pre-qualification will be answered. Contact shall be made only in writing to the above individual. The University of Colorado at Boulder, the Principal Representative and the Architect will not be responsible for the accuracy or validity of information received later than 1:00 PM local time December 14, 2009. All appropriate questions posed will be answered in a mailing and e-mail if address is provided, to all holders of these documents no later than December 16, 2009. (Fax copies will be available).

Scoring will be performed on an assigned scale by item outlined in Section B. Pre-established weights (not available to contractors during the process) will be assigned to the score for each submittal item.

The scores of all panel members will be totaled for each submittal. A pre-established score total will automatically pre-qualify the contractor's submittal assuming that the contractor's submittal meets the minimums outlined in Section C.

There will be no pre-established maximum limit to the number of contractors to be pre-qualified to bid. In the event, however, that the scores result in a list of pre-qualified bidders of less than four bidders, the score required to pre-qualify may be lowered by a pre-established amount until a list of pre-qualified bidders greater than three is established.

  - (4) Project owner's name, address and current phone number
  - (5) Project architect's or engineer's name and address and current phone number
  - (6) Approximate start and substantial completion dates
  - (7) Building structural description
  - (8) Construction project manager and superintendent

### ITEM IV: Successful Project Completion:

- a. Indicate the number and dollar amounts of all delay claims, court, or arbitration judgments for and against your firm in the last five years.
- b. For all projects completed within the last 10 years, where applicable, identify separately:
  - (1) Dollar amount of liquidated damages paid and project involved.
  - (2) Dollar amount of bonus received for early completion and project involved.

ITEM V: Bonding Capacity:

Submit evidence from, or attested by, your bonding company that verifies your firm will have bonding capacity, if this project cost of approximately \$2,600,000.00 is added to your current and anticipated workload. Bonding will be required of the bid and if awarded the contract, 100% Performance and 100% Labor and Material Payment Bonds will be required.

ITEM VI: Financial Condition:

N/A

ITEM VII: Qualifications of Key Personnel:

Provide information on the below key personnel you propose and intend for this project. If more than one person is proposed for this project, provide information on each.

- a. Project Manager
  - (1) Resume.
  - (2) Experience: List of projects of similar size, type and systems.
  - (3) References, with current phone numbers, outside your company to verify experience.
  - (4) Will this person be available uninterrupted through the completion of the project?
- b. Project Superintendent
  - (1) Resume.
  - (2) Experience: List of projects of similar size, type and systems.
  - (3) References, with current phone numbers, outside your company to verify experience.
  - (4) Will this person be available uninterrupted through the completion of the project?

ITEM VIII: Schedule Control:

- a. Describe your firm's schedule management system.
- b. Provide samples of:
  - (1) Schedule from a previous renovation project.

ITEM IX: Current Workload/Capacity to Complete this Project:

- a. List current projects, dollar volume by project, and anticipated completion dates of current projects.
- b. For projects within five years, indicate the following for the largest amount at any one time:
  - (1) Total number of projects.
  - (2) Total dollar amount of all projects.
- c. Estimate your anticipated largest dollar volume if this project is added to your current and anticipated volume. Estimate this project for this item at \$2,600,000.00.

ITEM X: Estimated Construction Period:

Include description of scheduled management to be used on this project. This project will take place starting in mid-March 2010 with light demo until May when students leave for the summer; construction will be completed by August 2010 prior to students return.

- g. Quality Control.
- h. Project Closeout.

ITEM XII: Performance Following Pre-qualification:

Provide a separate list of building projects for which your firm has been selected for a pre-qualification process similar to this. Project list shall identify the client, project size, approximate dollar value, bid date, projected completion date, and whether you provided a qualified bid after pre-qualifications. List must include all projects for which you have been pre-qualified within the last five years, but you need not list any more than ten.

ITEM XIII: Percentage of Local Subcontractor Involvement:

Provide an estimate percentage of local subcontractor involvement that you anticipate can be accomplished and certified as part of the bid. Local involvement shall be defined as any subcontractors within a 75 mile radius of the building site. If pre-qualified, contractors will be required to equal or exceed the percentage proposed.

ITEM XIV: Minority Participation Involvement:

It is the general policy of the State of Colorado to be as inclusive to all member communities when spend taxpayer dollars. Provide your firm's anticipated Minority Business Enterprises (MBE) and Women Business Enterprise (WBE) participation goals for this project. Refer to and fill out the attached Minority and Women Business Enterprise Participation Report.

ITEM XV: Affidavit:

Complete and sign the sample affidavit found in Section D.

## **SECTION C: EVALUATION CRITERIA**

Listed below, corresponding to the Item numbers in Section B (Submittal Requirements), are the general criteria to be used to judge and score the submittals for pre-qualification. Other pre-established information (such as the weight established for the value of a given score and such as required minimum scores for a give item number) will be used by the pre-qualification panel, but will not be available to contractors.

### ITEM I: General Introduction:

No scoring will be done with regard to this item. However, submittals which do not include the requested information will be given no further consideration.
