TO: Facilities Management

FROM: Michael Yanker, Asbestos Coordinator

SUBJECT: Environmental Site Assessments,
Asbestos Exempt Building List - 10/1/2011

DATE: October 11, 2011

Pursuant to the State of Colorado regulations governing asbestos, Regulation #8, "No asbestos containing materials (ACM) were specified as a building material in the construction documents for these buildings". To the best of the University's knowledge, no ACM was used as a building material in the building. Therefore, I am releasing the buildings from requiring inspections for asbestos and/or lead-based paint, with the exception of MCOL windows and KOBL windows (excludes addition).

Consequently, an Environmental Site Assessment report will not be generated for projects that may be occurring in these facilities. All projects in these buildings will be required to follow UCB Standards regarding other environmental, health, and safety issues, e.g. fume hood installations, chemical inventory, disposal of hazardous waste materials, storm and waste water applications, etc. Should there be any questions regarding other EH&S issues for any given project, contact the appropriate EH&S unit manager for further clarification(s).

Please share this list with all appropriate staff.

If you have any questions, please contact Michael Yanker @ 2-6168.

Asbestos Exempt Building List 10/1/2011

Bldg. #	Bldg. Code	Official Bldg. Name	Bldg. #	Bldg. Code	Official Bldg. Name
412	ARNT	Arnett Hall	373E	MCDB	MCD Biology Bldg.
410	ANDS	Andrews Hall	32	MCFL	Moore's Collins Family Lodge
269	ARMT	Armory Trailer	211	MCOL**	Bruce Curtis Bldg.(Except Windows)
131	ATHN	Athens North Court	482	PDPS	Police & Parking Services
231	ATLAS	Atlas Center	95	PERL	One Pearl Plaza
630A	WEB	Weber Hall	97	PRL2	Two Pearl Plaza
630B	BCAPB	Bear Creek Apt. B	555	RPMP	Rsch Park Pump Station
607	BCC	Bear Creek Commons	484	RPRK	Regent Dr Autopark
363	BESC	Benson Earth Sciences Bldg.	409	SMTH	Smith Hall
205A	BREG	Bicycle Registration Bldg.	377	STTB	Stadium Ticket Building

558	LSTR	LASP Space Technology Research	595	XCUF	University of Colorado Foundation
31	MARR	Marr Alpine Labortory	621	WVN	Williams Village North
369	MATH	Mathematics Bldg			

No asbestos containing materials (ACM) were specified as a building material in the construction documents for these buildings. To the best of the University's knowledge, no ACM was used as a building material in the building.

No environmental site assessment (ESA) for asbestos are required for renovations or remodeling projects.

*KOBL - Exempt except for interior window sills, PACM window putty/caulking (excludes addition) - SOW involving windows requires an Asbestos Response Action by EH&S

**Museums Collections windows contain asbestos glazing compound and lead-based paint. Replacement of windows will require coordination with EH&S Asbestos office.
