Addendum #2

1. Section IV, Contract Information - Replace paragraph F. with the following paragraph:

   F. The UCB reserves the right to make changes to the appended model contract and
   procedural documents, including deletions, additions and/or modifications that may be
   necessary to more completely describe the services defined or implied herein. State of
   Colorado Notice of Award, Notice to Proceed, MWBE, closeout, change order, and pay
   application forms shall not be required for projects less than $100,000, unless required by
   the UCB PM during the documented quote process.

2. Please confirm that Pipefitting is included under HVAC. We do Pipefitting, but not
   Sheet Metal.

   Pipe fitting is under HVAC, not sheet metal.

3. For table of contents, V is not used.

4. Under Tab 6 for Utilities Piping, please define "large piping system". Do you mean
   extensive piping systems or large-diameter piping? What criteria are you using?

   The work performed under Tab 6, Utilities Piping, is referencing underground utilities.
   Contractors in this group need to have a minimum of:

   5 years municipal experience
   Municipal references (municipal licenses)
   The on-site supervisor must have a minimum of 3 years experience supervising crews
   engaged in utilities piping.
   Company and foreman must have experience on larger sewer lines up to and including
   36”.
   Company and foreman must have experience on larger water lines up to and including
   12”.

5. Contractors who do not respond to two or more invitations from UCB to provide a
   documented quote may be removed from the SOC list.
