ADDENDUM #4
(1)

TO ALL BIDDERS

PROJECT NAME:
NORTH SOUTH BIKEWAY IMPROVEMENTS – PHASE 2

BID OPENING DATE/LOCATION:
WEDNESDAY, MAY 2, 2012 - 3:00 PM
University of Colorado Boulder
Department of Facilities Management
RL-2, 1540 30th Street, 3rd Floor
Boulder, CO 80309-0453

THE FOLLOWING shall become as fully a part of the above named Bidding and Contract Documents as if included and shall take full and complete precedence over anything stated or shown to the contrary in them.

ACKNOWLEDGMENT: Each bidder shall indicate in the place provided on the Contractor’s Bid Form acknowledgment of receipt of this Addendum. FAILURE TO INDICATE RECEIPT OF THIS ADDENDUM MAY BE CAUSE FOR THE BID TO BE REJECTED.

EACH AND EVERY BIDDER, subcontractor and material supplier shall be responsible for reading each and every item in this Addendum to ascertain the extent and manner it affects the work in which he is interested.

The Addendum items may not be listed in the same order that they occur on the Drawings or in the Project Manual

Total pages/drawings in this addendum including this cover page: 5

END OF ADDENDUM

Rich Deborski
Project Manager – University of Colorado
ADDENDUM #4
(2)

To: All prospective bidders for:
North South Bikeway Improvements – Phase 2
University of Colorado Boulder

Re: Addendum No: 4

The following items represent changes or additions to the Contract Documents dated February 27, 2012.

It is understood and agreed that the following alterations, changes and/or omissions shall be made in the above plans and the specifications, as now drawn and written, and that such alterations, changes and/or omissions shall be incorporated in the proposed improvements. Unless such an alteration, change and/or omission is specifically mentioned in this addendum, the plan and specifications, as now drawn and written, shall govern in all respects.

Responses to Contractor Questions

1. **Question:** I am looking at the revised bid schedule for this job per Addendum Three. The Line item in the bid schedule shows the Steel Building Pad to be 174 SY. The plan shows a foundation that is 24’ x 9’. This equals 216 SF or 24 SY. Please clarify that this is correct and the bid form will need to be adjusted.
   **Answer:** See attached bid form(s) for revision.

2. **Question:** Sheet 44 shows a new irrigation controller to be installed at the corner of the Computer Science Building. What power source should be used for this controller?
   **Answer:** Power for the irrigation controller is to come from inside the existing building adjacent to the irrigation controller. See Flag Note "11" Sheet Number 41.

3. **Question:** Where does the new storage shed locate on the project site?
   **Answer:** The answer assumes the question is referring to the bike repair building. It is located per sheet 16.

4. **Question:** Sheet 1 of the Austin Mohawk steel building plan call for electrical in items 10 and 11. What power source should be used for this building?
   **Answer:** Electrical services to the bike station shall be by others.

Drawings

1. Sheets 7, 8, & 8A (Revised Bid Tabs)
