CP168277-CAMP - CHILLED WATER LINE AT BAKER HALL

Addendum No. 1

Department of Facilities Management
University of Colorado Boulder

Date: 2/15/2013

Question: Can the Q&A period be extended from 2/18/2013 to 2/21/2013?

Answer: Yes, Written questions must be received no later than 3:00 PM 2/21/2013. All other dates in the RFP remain unchanged.

Question: If you are able, can you provide a site plan that indicates known underground utilities in the pathway for this project?

Answer: See the attached for your use and information. These sketches represent where many existing underground utilities, but not all utilities may be for the purposes of the RFP response.
