3. Parking costs/staging area is paid for by the Contractor. The cost per space is $7.75/day or $11.50/week per space. The Contractor must determine his parking /staging needs and coordinate with CU project manager and Parking Services.
4. Deliveries of Turf and Sand/Rubber mix bags cannot be stored on sod areas.
5. The color for the Gold in the field graphics: The PMS # for the Universities’ gold is 466.
6. Contractors who are approved for providing a cost proposal: The Oral interview should include a brief presentation of your organization and an overview of past projects. The majority of the presentation must be project specific to the University Lacrosse Turf project. We are interested in your approach, how you will organize the construction effort, elaborate on the specifics of this project and how you will meet a very aggressive schedule. We have allowed an hour for each group. 45 minutes for the presentation and 15 minutes for set up and clearance of the room. Please bring a product sample of the turf you are proposing with associated manufacturers specification sheets.
7. Provide a Bid Bond for the cost proposal for those who have pre-qualified to submit proposals.
8. Substantial Completion for construction is August 23, 2013.
