

## Fun Run Times Assorted by Name

Note: If you did not run with the correct wave, then your time and place will not be accurate. We adjusted your times based on the wave number you were supposed to run in.

### Waves were assigned by last name:

A-G= wave 1 (no time subtracted from overall time)

H-Q= wave 2 (7 minutes subtracted from overall time)

R-Z= wave 3 (14 minutes subtracted from overall time)
