Spring/Summer 2008 Graduation Form

This form is for students that have been contacted by the Office of Financial Aid about their graduation status and who wish to be considered for continued financial aid funding. Complete this form if:
• You applied to graduate from CU-Boulder this spring or summer but now will not.
• You are graduating this spring or summer, but will be continuing in a new degree program at CU-Boulder.

Note:

If you graduated, you must be enrolled in a new degree program to receive financial aid beyond the summer 2008 semester. Pursuing a second major in your current degree program does not qualify you to receive continued financial aid funding. You will not be eligible for work study this fall unless you have been accepted into a new degree program. If you have questions about work study, please call Student Employment at 303-492-7349.

If you did not graduate, or if you have been admitted into a new undergraduate or graduate degree program for fall 2008, return this letter to be considered for continued financial aid.

If you have questions, please call us at 303-492-5091, or stop by to speak with a financial aid counselor.

Please complete the following information and mail this form to: University of Colorado at Boulder, Office of Financial Aid, 556 UCB, Boulder, CO 80309-0556. You may also fax this form to 303-492-0838 or bring it to our office at Regent 175.
