

Week 15 – Concepts and terms

(note – you must read Chapter 8 of the book – you can skip Chapter 7)

**Taylor and Flint Ch. 8 (325-367)**

place vs. space

what makes a place?

a) location

b) locale

c) sense of place

identity politics and Kondratieff waves

cultural hegemony (Gramsci)

double-edged modernity (Giddens)

3 prime modernities; ordinary modernity; reflexive modernity; post-traditional condition

14 political geographies and examples

**Archibugi:**

Why September 11 is “more significant” than (e.g) over half a million dead in Rwanda?

Difference between terrorism and state terror

Ethics of a one-sided war (all casualties on one side e.g. Afghanistan or Kosovo war)

8 elements of the “cosmopolitan perspective” – are they supportable? Is the perspective sustainable in the face of unilateralism?

Development aid (from Europe) as a weapon in the “war against terrorism” – will it be effective
