

Gunnél Thorsin-Hamm Memorial Scholarship Study Abroad in Sweden

The Nordic Studies Program invites applications for scholarships to study abroad in Sweden. Applications will be accepted for students planning to study at Uppsala University or another Swedish university for the academic year, spring or summer semesters. (Preference is given to applications for academic year programs.) Scholarships will be awarded in amounts up to \$2,000. The funds for these awards were given by Miles Hamm in memory of his wife, Gunnél Thorsin-Hamm, who taught Swedish at CU-Boulder for twenty years until her retirement in 1995.

Applicants must be full-time students in good standing at the University of Colorado, Boulder, with a GPA of at least 3.0 in Nordic Studies courses (if applicable). Priority will be given to Nordic Studies minors, students who demonstrate financial need, and students with at least one year of prior Swedish language study; however, students without prior language experience are strongly encouraged to apply.

To apply, please submit

- completed application form
- letter of application indicating reason for study at the chosen program, description of Nordic Studies coursework, involvement in Nordic Studies or Club activities
- evidence of acceptance into a Study Abroad Program in Sweden (upon availability)
- current, unofficial transcript
- budget of all anticipated expenses, including tuition and fees
- brochure or other equivalent information on the course and program (including dates, location, prerequisites, etc.) if not applying through CU Study Abroad.

Deadlines:

Academic Year: March 15

Summer Term: March 15

Spring Term: November 2

Late applications will be accepted if funding is still available.

Please note that only full and complete applications will be considered for scholarship. Scholarships will not be paid until evidence of acceptance into a program in Sweden has been provided. Students receiving scholarship for the summer program, who are not enrolled with CU-Boulder that summer, will receive the scholarship in the fall semester.
