

# How to Log on to Your Account.

---

# Step 1: Importance of Communication

---

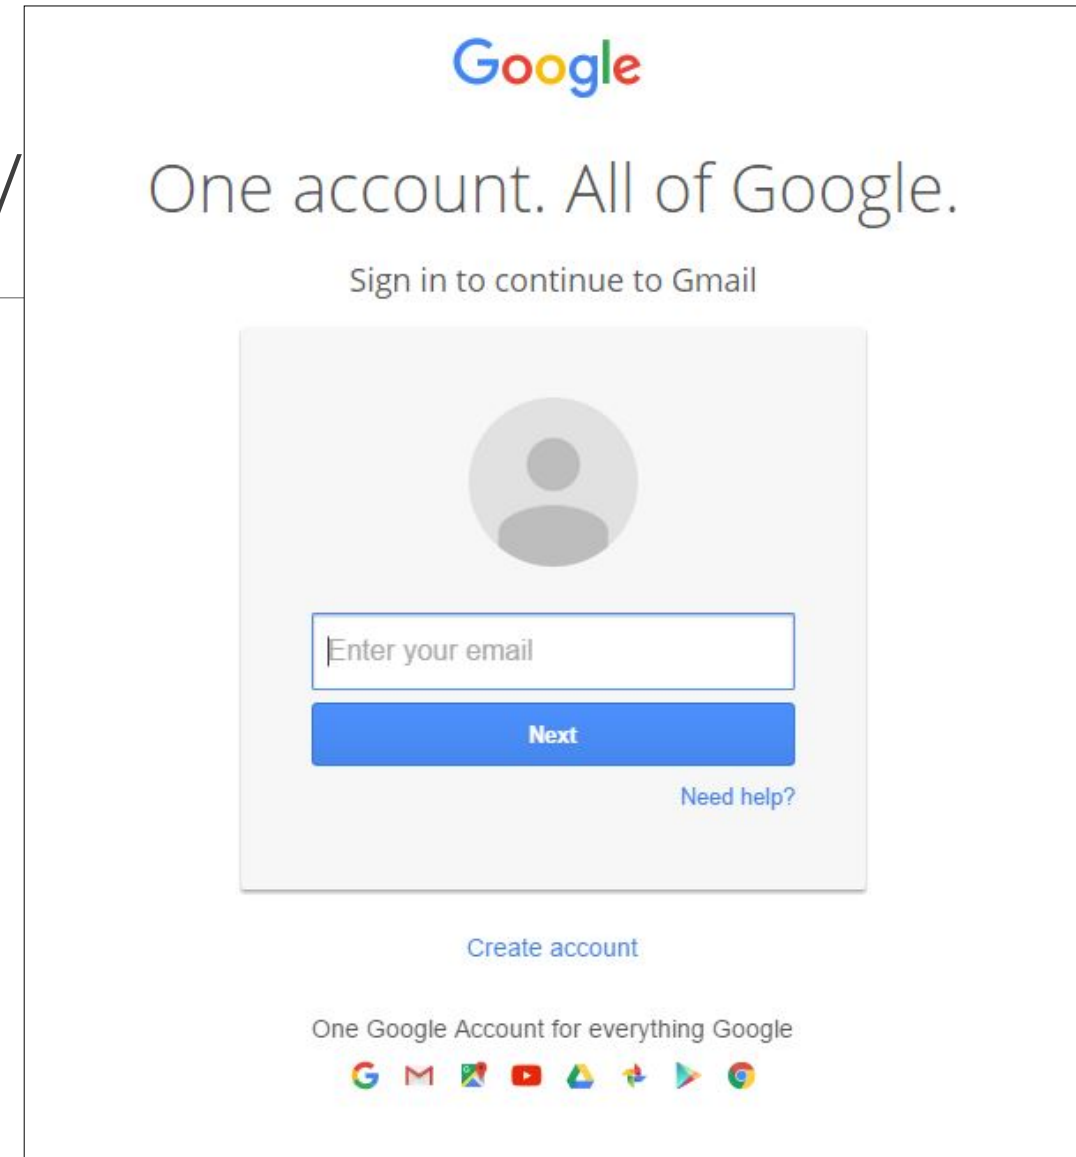

Once you are admitted to CU, you need to check your email constantly! As an incoming Freshman you will be bombarded with very important emails. Please synch your email to your phone and check it at least once a day.

Important note: You can only contact faculty members with your official CU email. Do not email them with your personal email.

# Step 2: Go to
