

**Concurrent Bachelor's/Master's Degree  
Mid-program Review and Recommendation for Advancement to Graduate Status**

All concurrent degree students shall undergo a mid-program review to determine eligibility to advance to the graduate portion of the program at the end of their senior year.

Student Name: \_\_\_\_\_ SID # \_\_\_\_\_

Department: \_\_\_\_\_

To become eligible for admission to Graduate School, the concurrent bachelor's/master's degree student must meet the following conditions:

1. Completion of 120 credits (128 for engineering students)  
 yes                       no                      date credits completed \_\_\_\_\_
2. Completion of all school, college or department requirements for the Bachelor's degree  
 yes                       no                      date of completion \_\_\_\_\_  
with the exception of: \_\_\_\_\_
3. Attainment of minimum GPA standards for the program and the department  
 yes                       no                      GPA \_\_\_\_\_
4. Maintenance of full-time status by completing an average of 24 credits per year.  
 yes                       no

-----  
This form shall be circulated to the student, school/college dean's office and the graduate dean's office with one of the following recommendations. Upon the student being recommended for admission to graduate status, this form must be submitted to the Graduate School. The Graduate School will implement all changes to graduate status. **For the status change to be implemented in an upcoming semester, the Graduate School must receive the recommendation no later than October 1 for spring semester status change, February 1 for summer semester status change, and March 1 for fall semester status change.**

*The department **recommends** admission to the Graduate School for the above named student, beginning during the \_\_\_\_\_ semester/year. **Please note:** The Graduate School will normally change*

*the student to graduate status during the upcoming semester. A change to graduate status during the current, active semester could have a serious impact on a student's financial aid - students should be made aware of these ramifications prior to agreeing to this change when financial aid awards depend on the student's status as an undergraduate or graduate student.*

*The department **does not** recommend the above named student for advancement to graduate status, but has determined that he/she is eligible to continue for completion of the concurrent degree program.*

*The department **does not recommend** that the above named student continue in the concurrent degree program. The student has been informed of the requirements necessary to complete the bachelor's degree.*

Program director/departmental officer: I understand that my signature below signifies that the above facts are true to the best of my knowledge and that the student has met with this department to discuss the options and implications of admission to graduate status.
