Site Visit

Regis University

Thursday, April 10, 2008

You are invited to attend the Spring 2008 COPFFN Site Visit to the Regis University. This is an excellent chance to see what life is like at a Jesuit University. Attendance from the University of Colorado at Boulder is limited to 13 graduate students and postdocs and will be handed out on a first-come, first-served basis. The deadline for applying is March 24, 2008. However, we need firm commitments from the attendees because site visits involve the engagement, time, and energy of many staff on both campuses. Any individual who commits to a site visit and drops out will not be able to sign-up for future site visits. If you want to attend the site visit, please contact PJ Bennett in the GTP office (colpff@colorado.edu or 303-492-4902) with your name, area of study, and department by March 24, 2008.

For further information, please call 303-492-4902

All site visits count toward Professional Development Certification

All graduate students, undergraduate teaching assistants, postdocs, faculty, and staff are welcome.
