Site Visit

# University of Wyoming

**Friday, February 29, 2008**

You are invited to attend the Spring 2008 COPFFN Site Visit to the University of Wyoming. This is an excellent chance to see what life is like at a University in another state. Attendance from the University of Colorado at Boulder is limited to 10 graduate students and postdocs and will be handed out on a first-come, first-served basis. However, we need firm commitments from the attendees because site visits involve the engagement, time, and energy of many staff on both campuses. Any individual who commits to a site visit and drops out will not be able to sign-up for future site visits. If you want to attend the site visit, please contact PJ Bennett in the GTP office ([colpff@colorado.edu](mailto:colpff@colorado.edu) or 303-492-4902) with your name, area of study, and department by February 15, 2008.

For further information, please call 303-492-4902

Visit our web site at <http://www.colorado.edu/gtp>

All site visits count toward Professional Development Certification

All graduate students, undergraduate teaching assistants, postdocs, faculty, and staff are welcome.
