

## Health Care Facilities When We Are Closed

Visits to these facilities will be *at the patient's expense* and costs may vary based on private health insurance coverage. Additional urgent care centers may be found in your phone book. Visits to an urgent care center during Wardenburg's regular hours of operation may not be covered under the Student Gold Health Insurance Plan.

## Medical Emergencies

***In the event of a medical emergency call 9-1-1 or go the emergency room at a local hospital.***  
Most insurers define a medical emergency as a sudden, unexpected injury or illness that poses an immediate threat to life or limb.
