

Just as a reminder, be sure to bring your punch cards to our Halloween and all flock events! You can get one punch (from one event) per week for attending our wonderful flock activities, however, please do not feel limited to attend only one event per week, as our flock leaders would love to see you at multiple events! Also, please note that it is your responsibility to get your card punched within the week of activity!

Due to the November 10th all-RAP event described by Dr. Gerland below and the sheer amount of fun we have packed into Halloween tomorrow night, we will return to our regular flock activities the week before Fall break!

Dr. Gerland and Student Leaders sure had fun setting up pumpkin carving!
