

## JANE MENKEN

University of Colorado at Boulder

Distinguished Professor, 2002-

Director, Institute of Behavioral Science, 2001-

Professor, Department of Sociology, 1997-

Director, Population Aging Center, Institute of Behavioral Science, 2000-

Faculty Associate, Population Program, Institute of Behavioral Science, 1997-

University of the Witwatersrand

Honorary Professor, School of Public Health, 2006-

### PREVIOUS EXPERIENCE

University of Pennsylvania:

UPS Foundation Professor in the Social Sciences and Professor of Sociology and Demography

Member, Graduate Group in Demography, 1987-1997

Director, Population Studies Center, 1989-1995

Research Associate, Population Studies Center, 1987-2001

Center for Advanced Study in the Behavioral Sciences, Fellow, 1995-1996

Princeton University, Faculty

Visiting Professor of Public and International Affairs, 1987-1988

Professor of Sociology and Public Affairs, 1982-1987

Professor of Sociology, 1980-1982

Lecturer with the Rank of Associate Professor of Sociology, 1977-1980

Office of Population Research

Associate Director, 1986-1987; Assistant Director, 1978-1986

Senior Research Demographer, 1979-1980; Research Demographer, 1975-1979

Research Staff, 1969-1971

Columbia University, School of Public Health and Administrative Medicine

Research Associate in Biostatistics, 1966-1969

National Institute of Mental Health, Mathematical Statistician, 1964-1966

Harvard School of Public Health, Assistant in Biostatistics, 1962-1964

### EDUCATION

Princeton University, Ph.D., Sociology and Demography, 1975

Harvard University, School of Public Health, M.S. in Biostatistics, 1962

University of Pennsylvania, A.B., Mathematics, 1960

### ADDRESS

Institute of Behavioral Science  
University of Colorado at Boulder  
483 UCB  
Boulder CO 80309-0483

Tel: 303-492-8148  
Fax: 303-492-6924  
email: [menken@colorado.edu](mailto:menken@colorado.edu)

## **AWARDS AND HONORS**

Elected National Academy of Sciences, 1989  
Elected Institute of Medicine, 1995  
Elected American Academy of Arts and Sciences, 1990  
Distinguished Professor, University of Colorado, 2002  
John Simon Guggenheim Memorial Foundation Fellow, 1992-93  
Fellow, Center for Advanced Study in the Behavioral Sciences, 1995-96  
Elected to the first class of National Associates of the National Academies of Science, 2001  
President, Population Association of America, 1985  
Elected Sociological Research Association, 1986; President, 1995-96  
Mindel Sheps Award in Mathematical Demography and Demographic Methodology, Population Association of America, 1982  
American Association for the Advancement of Science Fellow, 1982  
American Statistical Association Fellow, 1977  
Mortimer Spiegelman Award in Health and Vital Statistics, American Public Health Association, 1975  
Population Council Fellowship, 1971-1974  
Delta Omega, 1962  
NIH Traineeship in Biostatistics, 1960-1962  
Phi Beta Kappa, 1960  
National Merit Scholar, 1957-1960

## **PROFESSIONAL ASSOCIATIONS**

Population Association of America  
International Union for the Scientific Study of Population  
American Sociological Association  
Sociological Research Association  
Society for the Study of Social Biology  
American Association for the Advancement of Science

## **PROFESSIONAL ACTIVITIES 2003-2008**

### **PROFESSIONAL ASSOCIATIONS**

American Sociological Association, Population Section Council, 2002-2005

Population Association of America

2003 Annual Meeting: Organizer and Chair: Age and Fertility; How Late Can You Wait?

2006 Annual Meeting: Discussant

Session 143 Recent Developments in the HIV/AIDS Epidemic

Session 151 Fertility Differentials and Trends

### **COMMITTEES AND ADVISORY GROUPS**

National Research Council Committee on Population

Chair, Steering Committee, Workshop on Aging in Africa, 2003-2006

## **COMMITTEES AND ADVISORY GROUPS (continued)**

### National Institutes of Health

Member, NICHD Long Range Planning Discussion Group – HIV/AIDS, March 29, 2006

Member, Special Emphasis Review Panel, NICHD, 2005

Member, Working Group of the NIH Advisory Committee to the Director on Research Opportunities in the Basic Behavioral and Social Sciences, 2004-2005

National Institute on Aging: Reviewer, Concept Review of FY2003 BSR Interagency Agreement (IAA) and Contract Proposals. February 13, 2003.

### The Population Council

Member, Fellowship Selection Committee. 2002-2003.

### African Population and Health Research Center, Nairobi, Kenya

Member, Founding Board of Directors, 2000-

Deputy Chair and Member, Executive Committee, 2006-2007

Chair, 2007-2010

### INDEPTH (International Network for the Demographic Evaluation of Populations and Their Health), Chair, Scientific Advisory Committee, 2002-2007

Consultative Meeting: Collaboration between University training programmes in population science and demographic surveillance sites in Ghana, Kenya and South Africa, February 7-8, 2006, Accra, Ghana

### Hewlett Foundation and Population Reference Bureau. Selection Committee. Hewlett/PRB

Dissertation Fellowships in Population, Reproductive Health, and Economic Development. 2006 and 2007.

### World Health Organization

Member, Advisory Group, WHO Study on Global Ageing and World Health, 2004-2006

### University of Natal, Durban, South Africa

Chair, Steering Committee, Mellon HIV/AIDS Program, 2001-2007

### Africa Centre for Health and Population Research, Mtubatuba, South Africa. Member, International Scientific Advisory Committee, 2003-2004

### Johns Hopkins University, School of Public Health

Member, Steering Committee, Panel on Advanced Training and Research in Population Science in Africa, 2003-2004

### University of Denver. Member, Advisory Board, Global Health Affairs. Graduate School of International Studies. 2003-.

## INVITED LECTURES AND INTERNATIONAL TEACHING ACTIVITIES

Visiting Scholar, University of the Witwatersrand, November, 2007

Keynote Speaker, University Corner Center Launch, Population Studies in Sub-Saharan Africa, 22 November

African Demography Course at CU: Sociology 5161: Longitudinal Data Management & Analysis: Exploring Developing Countries' Rural Population And Health Issues. July 1-13, 2007. 17 participants: 4 graduate students and 1 faculty member from the University of the Witwatersrand, 2 graduate students from Brown University, 5 from CU, and 1 from the University of Addis Ababa, and 4 interns from APHRC.

University of Maryland, Maryland Population Studies Center, Health in Developing Countries: Do Gender Differences in Self-reported and Observed Measures Reflect Complaint or Reality? Jane Menken, Randall Kuhn, Omar Rahman, March 2, 2007

African Demography Course at CU: Sociology 5161: Longitudinal Data Management & Analysis: Exploring Developing Countries' Rural Population And Health Issues. June, 11-30, 2006. 17 participants: 4 graduate students each from the University of the Witwatersrand, Brown University, and CU, and 5 interns from APHRC.

4th WITS/Brown/CU/APHRC Colloquium on Population Issues, APHRC, May 22-25, 2006.

Panel Member, Round-table discussion: *Strengthening doctoral level training in sub-Saharan African universities: modalities, constraints and challenges*. May 24, 2006

Panel Member, Round-table discussion: *Deepening effective collaboration in research, training and academic development: going beyond the annual colloquium*. May 25, 2006

Visiting Scholar, University of the Witwatersrand, January 28-March 6, 2006

January 31-February 1, 2006. Workshop: "*From Strength to Strength*." Evaluation of programmes in 'Populations, Health and Society' and refining the strategy for research and academic activity in the field of 'Populations, Health and Society'.

February 2, 2006. Workshop: Using data from the Agincourt Health and Demographic Surveillance System.

February 17, 2006. Research Planning Workshop: Introduction of Antiretroviral Therapy in the Agincourt Health and Population Unit Research Site. Thornybusch Lodge, Limpopo Province.

February 24, 2006. Academic Meeting, School of Public Health. Effects of Maternal Empowerment, Health, and Reproduction on Child Health in Bangladesh

February 27-28, 2006. Research Planning Workshop. Child Resilience Project: South Africa.

February 28, 2006. Demography and Population Studies Seminar. Contributions of Longitudinal Study Sites to Understanding the Impact of HIV/AIDS in Africa

February 28, 2006. Demographic Methods Class: Fertility

Visiting Scholar, University of the Witwatersrand, January 28-March 6, 2006 (continued)

March 3, 2006. Demography Proposal Writing Workshop: Choosing a Research Topic, Formulating Research Questions

University of the Witwatersrand, Population Studies Seminar, June 2, 2005. Aging and health status in developing countries.

## **INVITED LECTURES AND INTERNATIONAL TEACHING ACTIVITIES (continued)**

University of the Witwatersrand, WITS Medical School. August 4, 2004. Keynote Speaker, Faculty of Health Sciences Research Day. Contributions of longitudinal study sites to understanding the impact of HIV/AIDS in Africa.

2<sup>nd</sup> WITS/Brown/CU/APHRC Colloquium on Population Issues, Brown University, March 29, 2004. Member, Panel on Training in Demography.

International University of Bangladesh. January 26, 2004. Dhaka, Bangladesh. Women's Empowerment - Effects on Health of Women and Children in Rural Bangladesh: Results from the Matlab Health & Socioeconomic Survey, Jane Menken & Randall Kuhn, University of Colorado; Omar Rahman, IUB & Harvard University.

ICDDR,B: The Centre for Health and Population Research. Dhaka, Bangladesh. January, 2004, Women's Empowerment: Measurement and Effects on Health of Women and Children in Rural Bangladesh. Jill Williams, Erin Trapp, Jane Menken.

Brown University, Center for Population Research and Training. March 6, 2003. The effects of childbearing on women's survival: New evidence from rural Bangladesh.

The University of the Witwatersrand, Johannesburg, South Africa, March 24, 2003. The effects of childbearing on women's survival: New evidence from rural Bangladesh. Presentation at the First WITS-Brown-Colorado Colloquium: Current Issues in Population Studies.

Pennsylvania State University. September 5, 2003. Childbearing and Women's Survival: New Evidence from Rural Bangladesh. Jane Menken, Linda Duffy, Randall Kuhn

## **GRANT AND EDITORIAL REVIEWING**

Founding Member, Editorial Board, *Southern African Journal of Demography*, 2002-

Institute of Medicine, Reviewer "New Frontiers in Contraceptive Research." 2003

Founding Member, Scientific Review Board, *Demographic Research* (on-line peer-reviewed journal in the population sciences published by the Max Planck Institute for Demographic Research, Rostock, Germany, 1999-

Editorial Consultant: *Demography*, *Studies in Family Planning*, *Family Planning Perspectives*, University of Chicago Press, Oxford University Press, *Population Studies*, *Journal of Health and Social Behavior*

Wellcome Trust Grant Reviews, 2006, 2007, 2008

## **PUBLIC PRESENTATIONS**

Graduate School Advisory Council, University of Colorado at Boulder, Keynote Speaker: CU in Africa: Collaborative Research and Capacity Building in the Fight Against AIDS, October 11, 2007

## **PUBLIC PRESENTATIONS (continued)**

Building Bridges: Strengths of Social-Demographic-Economic Platforms for Science and Technology in Sub-Saharan Africa and Asia, Colloquium on Science and Technology for Poverty Reduction, South Africa Ministry of Science and Technology, Pretoria, 20 November

Radcliffe Institute for Advanced Study, October 15, 2004. Effects of maternal empowerment, health, and reproduction on child health in Bangladesh. Conference on Reproductive Health in the 21<sup>st</sup> Century. <http://athome.harvard.edu/dh/rrh.html>

## **CONFERENCES ORGANIZED**

4th Wits/Brown/CU/APHRC Colloquium on Population Issues  
Member, Organizing Committee, 2005-2006; 3-day Colloquium held in Nairobi, Kenya, May 22-25, 2006.

Organizer and Chair. Workshop on AIDS and Aging in Africa. Sponsored by National Institute on Aging. Boulder. January 11-12, 2006.

3<sup>rd</sup> Wits/Brown/CU/APHRC Colloquium on Population Issues  
Chair, Organizing Committee, 2004-2005; 3-day Colloquium held at CU May 3-5, 2005.

Co-organizer. The First Wits-Brown-Colorado Colloquium: Current Issues in Population Studies. March 23-28, 2003. Held at the University of the Witwatersrand, Johannesburg, South Africa. Four participants from CU: Assistant Professor Lori Hunter, Professional Research Associate Randall Kuhn, Sociology Graduate Student Jill Williams. CU participants funded by the Mellon Foundation and NIA grants to CU.

## PAST PROFESSIONAL ACTIVITIES

### PROFESSIONAL ASSOCIATIONS

#### National Academy of Sciences

Member, Subcommittee to review Class and Section Structure, 1999-2000

Chair, Section 53, 1996-1999

Class Nominating Committee, 1991, 1992, 1995, 1997

Delegate, Population Summit of the World's Scientific Academies, New Delhi, October 1993

#### International Union for the Scientific Study of Population

Committee to Review Headquarters, 1998-99

Council Member, 1989-1993; 1993-1997

Organizing Committee, 1985 General Conference

Organizing Committee, Seminar on Nuptiality and Fertility, Bruges, 1979

Committee on the Comparative Analysis of Fertility, 1975-1978

General Conference, Session Discussant: Mathematical Models of Conception and Birth, Mexico City, 1977

#### Sociological Research Association

President, 1995-1996

Executive Committee, 1991-1996; Secretary-Treasurer, 1994-1995;

#### Population Association of America

President, 1985

Chairman, Nominating Committee, 1986-87

Board of Directors, 1986

Member, Mindel C. Sheps Award Committee, 1986

Chairman, 1985 Annual Meeting Organizing Committee

President Elect, 1984

First Vice-President, 1982

Second Vice-President 1979

Board of Directors, 1975-1978

Finance Committee, 1977-1979; Chairman, 1979

Mindel C. Sheps Award Committee, 1974-1979

Annual Meetings Session Organizer:

Mathematical Demography, 1973; Supply of Children, 1983; Reproductive Health, 1981; Fertility: Early and Late, 1986; Fertility Change and its Effects on Family Structure, 1988

Annual Meetings Discussant:

Nutrition and Fertility, 1979, Fecundity, Infertility and Reproductive Health, 1981

#### Society for the Study of Social Biology

Member, Board of Directors, 1993-96

#### American Public Health Association

Program Development Board, 1984-87

Mortimer Spiegelman Award Committee, 1976-1978; Chairman, 1978

Annual Meetings Session Organizer:

Adolescent Childbearing: Causes and Consequences, 1978;

International Demographic Studies: Lessons and Resources for U.S. Policy, 1977

## **PROFESSIONAL ASSOCIATIONS (continued)**

American Association for the Advancement of Science

Nominating Committee, Section K, 1986-89; Chairman, 1988-89

Society for the Study of Social Biology

Board of Directors, 1978-1980

Social Science Research Council

Member, 1994 and 1995 Screening Panels, International Predissertation Fellowships

## **COMMITTEES AND ADVISORY GROUPS**

National Institutes of Health

Member, Advisory Council, Fogarty International Center, NIH, 2000-2002

Member, NIH Director's Advisory Committee, 1995-1997; 1997-2000

Participant, NIH Budget Retreat, 1999, 2000

Member, GPRA Review Committee, 1999

Member, Ad Hoc Review Committee, NIA Training Grant, 1995

Member, Search Committee, Associate Director for Behavioral and Social Sciences, 1994

Office of AIDS Research, Participant, Followup Meeting to the FY 1996 Planning Workshop, April 1994

Member, Ad Hoc Review Committee, NIA Training Grant, 1994

Invited speaker, "Fertility and Family Change," 25th Anniversary Symposium: Research Challenges in the Population Sciences, sponsored by the Center for Population Research, NICHD, December 1993

Chair, Five Year Plan Discussion Group, Demographic and Behavioral Sciences Branch, NICHD, 1993

Member, National Advisory Child Health and Human Development Council, 1987-91; Planning Committee, 1988-91

Member, Five Year Plan Discussion Group, Demographic and Behavioral Sciences Branch, NICHD, May 1991

Workshop on AIDS Prevention and Sexual Behavior Change, May 18-19, 1989  
Cosponsored by NIH and ADAMHA (Alcohol, Drug Abuse, and Mental Health Administration); Chaired session on sexual behavior and session on methodology; Drafted recommendations, session on sexual behavior

Member, Search Committee for Director, Center for Population Studies, NICHD, 1984-85

Chairman, Special Review Committee, September, 1983

Member, Social Sciences and Population Study Section, 1978-1982;  
Chairman, 1980-1982

Social Sciences and Population Study Section Special Reviewer, June 1976

National Research Council

Committee on Population

Member, 1996-2002; Chair, 1998-2002

Member, Steering Committee, Workshop on Biodemography of Reproduction, 2001-2002.

Chair, Steering Committee, 2001-2002, Workshop on Leveraging Longitudinal Data in Developing Countries

Chair, Workshop on Leveraging Longitudinal Data in Developing Countries.

Workshop held June 21-22, 2001, Washington DC

**COMMITTEES AND ADVISORY GROUPS (continued)**

National Research Council (continued)

Committee on Population (continued)

Member, 1983-1985

CBASSE (Commission on Behavioral and Social Sciences and Education)

Member, 1991-97

Panel on Data and Research Priorities for Arresting AIDS in sub-Saharan Africa

Co-chair, 1994-96

CBASSE Committee on AIDS Research and the Behavioral, Social, and Statistical Sciences, 1987- 1993; Vice-chair, 1989-90; Chair, 1990-1993

Panel on Statistical Issues in AIDS Research, Committee on AIDS Research and the Behavioral, Social, and Statistical Sciences, Chair, 1988-89

Committee on National Statistics, 1983-89

Nominating Subcommittee Chair, 1989

Steering Committee, Workshop on Modeling the Spread of Infection with Human Immunodeficiency Virus and the Demographic Impact of Acquired Immune Deficiency Syndrome, 1987-88

Chairman, Meeting on National Fertility Statistics, January 29-30, 1987

Committee on Population and Demography, 1978-1983

Food and Nutrition Board Subcommittee on Nutrition and Fertility, 1980-83

Panel on Fertility Determinants, Committee on Population and Demography, 1981-83

Committee on Basic Research in the Social and Behavioral Sciences, 1980-1982

Committee on Contraceptive Technology, 1977-1979

Alan Guttmacher Institute

Board of Directors, 1981-1990; 1993-2000

Family Health International

Chair, Technical Advisory Group, AID-funded project on *The Impact of Family Planning Programs on Women's Lives*, 1994-98

Demographic and Health Surveys

Scientific Advisory Committee, 1985-91

John Simon Guggenheim Memorial Foundation

Member, 1996, 1997, 1998, and 1999 Sociology Screening Panels

Harvard School of Public Health

Population Sciences Search Committee, 1989-91

External Thesis Advisor, Department of Epidemiology, 1989-91

Mellon Foundation

Population Center Review Committee, 1990

NORC

National Advisory Panel, research project "Social and Behavioral Aspects of Health and Fertility-Related Behavior," 1988.

## COMMITTEES AND ADVISORY GROUPS (continued)

### Alan Guttmacher Institute

Editorial Advisory Board, Family Planning Perspectives, 1989-93  
Board of Directors, 1981-1990; Secretary, 1987-89; Executive Committee, 1983-89  
Long-Range Planning Committee, 1982-83, 1984-86  
Chairman, Nominating Committee, 1983-85  
Scientific Advisory Board, 1978-89

### Rockefeller Foundation

Population Program Advisory Committee, 1981-1993

### The Population Council

Chair, Panel on Assessment of Future Needs for Training and Support for Population Experts from Developing Countries, 1999-2002

### Harvard University Department of Sociology

Visiting Committee, 1989-1993

### International Centre for Diarrhoeal Disease Research, Bangladesh

Chair, Expert Advisory Committee Meeting on the ICDDR,B - BRAC Collaborative Project, 16-21 June, 1992; 7-14 February, 1993  
External Reviewer, Population Sciences and Extension Division, 1990  
Chair, Social Sciences Advisory Council, 1990

### Ford Foundation and Rockefeller Foundation

Steering Committee, Workshop on Strategies for Research on Child Survival (in Bellagio, October 11-15, 1983), 1982-83

### New Jersey State Health Department

Vital Statistics Subcommittee, Technical Advisory Committee on Health Data, 1976-1978

United Nations Ad Hoc Group of Experts on Demographic Models, 1975

## INVITED LECTURES

Speaker, University of Colorado Winter Commencement, December 20, 2002

<http://www.colorado.edu/commencement/speeches.html>

2000 Harvard School of Public Health Millenium Lecture Series  
Population Research in the 21st Century, October 2000

1994 Population growth and fertility change: Lessons from the past about the future. 45-minute lecture in Thematic Symposium: Learning from the Past. VI International Congress of Ecology, Manchester England, Aug 22, 1994

1994 The population challenge: projections for population growth, family structure and fertility change. Forum on *Meeting the Challenge: Health, Safety, and Food for America*, held November 21-22, 1994 at the National Academy of Sciences, Washington and sponsored by the Executive Office of the President, National Science and Technology Council, Committee on Health, Safety, and Food Research and Development. Broadcast on C-Span.

## **INVITED LECTURES (continued)**

- 1994 The demographic effects of breastfeeding: Fertility, mortality, population growth. Working Group on "Breastfeeding: Science and Society," held May 11-13, 1995 at the Casina Pio IV, Vatican City, cosponsored by the Pontifical Academy of Science and the British Royal Society.

## **FORUM**

- 1994 CNN Forum on Population, "Beyond the Numbers." Taped at the National Academy of Sciences June 29, 1994; 2 hour broadcast on CNN July 3, 1994

## **CONFERENCES ORGANIZED**

- Director, Seventy-first American Assembly  
The New Population Dilemma; Issues and Choices for the United States  
The American Assembly, Columbia University  
April 17-20, 1986, Arden House, Harriman, New York

## **INTERNATIONAL TEACHING ACTIVITIES**

- University of Dhaka, Bangladesh  
Seminar on New Demographic Data for Bangladesh, January 2001: 80 advanced undergraduate and master's degree students, hosted by the Department of Statistics
- Mitra Associates, Bangladesh  
Seminar on Preliminary results of the Matlab Health and Socioeconomic Survey, January 2001: 45 senior Bangladeshi researchers and policy makers
- Cairo Demographic Center, Cairo, Egypt  
The effects of early socioeconomic conditions on female survival and health: the case of rural Bangladesh, January 2001
- International Centre for Diarrhoeal Disease Research, Bangladesh  
Two one-week workshops, Use of the Matlab Health and Socio-economic Survey Data: A new resource for research in health and Population in July 1998  
Funded by grants to the University of Pennsylvania by the Fogarty International Center of the National Institutes of Health and by the Andrew W. Mellon Foundation  
Organizers: Jane Menken, Omar Rahman (Harvard University), Andrew Foster (Brown University)
- Max Planck Institute for Demographic Research, Rostock, Germany  
Workshop on Family/Household Modeling and Applications, July 26- August 2, 1998  
Sponsor: Max Planck Institute for Demographic Research, James Vaupel, Director  
Conveners: Zeng Yi and Jane Menken

## **GRANT AND EDITORIAL REVIEWING**

Member, International Board of Editors, Pakistan Development Review, 1986-90

Associate Editor, Journal of the American Statistical Association, 1976-1978

Editorial Board, Mathematical Biosciences, 1976-1977

Peer Review Committee, Foundation of the Medical College of New Jersey, 1976

Editorial Consultant: Demography, Population Studies, Social Forces, Social Biology, Family Planning Perspectives, Econometrika, Population and Development Review, Social Forces

Occasional Reviewer: National Science Foundation, Rockefeller Foundation

## **CONSULTANCIES**

International Centre for Diarrhoeal Disease Research, Bangladesh

1984-1998 for 1-3 weeks/year except where noted below

June-July 1990 (6 weeks)

July-August 1989 (4 weeks)

July 1988-January 1989

August 1986 (4 weeks)

August 1985 (4 weeks)

July 1984 (4 weeks)

Review Committee, Department of Population Dynamics, The Johns Hopkins University, 1984

Women's Day Magazine, Roundtable on "Fertility over 30", 1982

World Fertility Survey, 1981-1982

East-West Population Institute

Resource Person, Childspacing Workshop, Honolulu, June 13-27, 1981

Ford Foundation

Relations between Health, Nutrition and Population, 1980-1981

Federal Trade Commission

Contraceptive Effectiveness, 1979

National Institutes of Child Health and Human Development Center for Population Research  
Research Program, June 1978

Conference on Consequences of Adolescent Pregnancy and Childbearing, October,  
1975

Food and Drug Administration: Over-the-Counter Contraceptives, 1978

University of North Carolina

Contract on "New Estimation Techniques for Demographic Analysis", 1973-1975

## **OTHER**

Congressional Briefing, April 26, 1991: Survey of Health and AIDS Risk Prevalence

Fellow, East-West Population Institute, East-West Center, Honolulu Hawaii  
Summer, 1987, 4 weeks; Summer, 1986, 6 weeks

Visiting Professor, University of Sydney School of Physics  
August 26 - September 4, 1985

Briefing on U.S. Statement for the 1984 World Population Conference, U.S. House of  
Representatives, June 27, 1984 (sponsored by the Population Association of America  
and the Population Resource Center)

Witness, U.S. House of Representatives Subcommittee on Health and the Environment, June  
28, 1983 (abortion and health)

House Select Committee on Population  
Witness, February 21, 1978 (Contraceptive Use and Effectiveness in the United States)

Planned Parenthood - Annual Meeting Speaker  
Bucks County, May 1978  
Mercer County, June 1977

## GRANTS in Effect 1995-2008

### University of Pennsylvania Grants, 1995-1998

National Institute of Child Health and Human Development <b>Population Center Grant</b> (P.I. transferred to Samuel Preston)	1992-1998 Direct costs	~\$2,000,000
Mellon Foundation <b>Training and Research Programs in the Demography of Less Developed Countries</b> (P.I.)	1994-1997 Total	\$600,000
National Institute on Aging <b>Population Aging Research Center</b> (P.I. transferred to Samuel Preston)	1994-1999 Direct costs	~\$500,000
National Institute of Child Health and Human Development <b>Determinants of Healthy Aging in Rural Populations</b> Program project awarded to the RAND Corporation ~\$1,950,000 (M. Omar Rahman, P.I.) Subcontract to the University of Pennsylvania, approximately (P.I.)	1994-1999. Total  Total	   ~\$339,000
Fogarty Center, National Institutes of Health <b>International Training and Research in Population and Health</b> (P.I. transferred to Antonio McDaniel)	1995-2000 Direct costs	\$812,449
Mellon Foundation <b>Training and Research Programs in the Demography of Less Developed Countries</b> (P.I. transferred to Douglas Massey)	1997-2000 Total	\$600,000

### University of Colorado Grants - Completed

5P01 AG/HD11952 National Institute on Aging National Institute of Child Health and Human Development <b>Determinants of Healthy Aging in Rural Populations</b> 1994-1999, no-cost extension to 2001. RAND Corporation, (M. Omar Rahman, P.I.) Subcontract: University of Pennsylvania, JM (P.I) 1994-1997 transferred to University of Colorado, JM (P.I) 1997-2001	1994-2001          Total	          -\$1,950,000 Total -\$339,000 Total \$153,201
National Science Foundation. <b>Female work, public policy, and fertility in developed nations</b> (P.I. Fred Pampel). Co-Principal Investigator,	2000-2001 Total	\$76,676
NIH <b>Predoctoral Fellowship</b> Carrie Foote-Ardah, JM (P.I.)	2000-2002 Total	\$46,648
P30 AG17248-02S1 National Institute on Aging <b>Population Aging Center Supplement I (PI)</b> For work with the University of the Witwatersrand, Johannesburg, South Africa	7/1/2001-6/30/2005 Total	\$311,850

### University of Colorado Grants – Completed (continued)

P30 AG17248-02S2	National Institute on Aging <b>Population Aging Center Supplement II (PI)</b> For work with the University of the Witwatersrand, Johannesburg, South Africa	7/1/2002-6/30/2005 Total \$253,568
P30 AG17248-02S3	National Institute on Aging <b>Population Aging Center Supplement III (PI)</b> For work with the African Population and Health Research Center, Nairobi, Kenya	7/1/2002-6/30/2005 Total \$119,295
R01 AG16308-01A2	National Institute on Aging <b>Social Networks and Adult Survival in Rural Bangladesh</b> (M. Omar Rahman, P.I., Harvard University Jane Menken, P.I., Univ. of Colorado subcontract)	7/15/2001-6/30/2005 Total \$464,057
Mellon Foundation	<b>African Demography Research and Training Program (PI)</b>	7/1/2001-6/30/2005 Total \$300,000
R03 AG19294-01A1	National Institute on Aging <b>Impact of Migration on Elderly Support in Bangladesh</b> (Randall Kuhn, P.I., Jane Menken, co-P.I.)	4/1/2003-3/31/2005 Total \$73,437
BCS 0422976	National Science Foundation <b>Migration and Marginalization: Social Networks, Inequality and Health in Indonesia and Bangladesh</b> (Rachel Silvey, PI, Randall Kuhn, co-PI, Jane Menken, co-PI)	8/1/04-7/31/06 Total \$170,000
2005-6516	Hewlett Foundation <b>African Population Studies Research and Training Program</b> (Jane Menken, PI)	10/1/05-9/30/06 Total \$400,000
Mellon Foundation	<b>African Demography Research and Training Program (PI)</b>	7/1/2004-6/30/2007 Total \$300,000

### University of Colorado Grants - Currently in Effect

P30 AG17248-02	National Institute on Aging <b>Population Aging Center (PI)</b>	9/1/2000-6/30/2008 Total \$861,000
R03	National Institute on Aging National Institute of Child Health and Human Development <b>Household Level Effects of HIV/AIDS Mortality</b> (Sangeetha Madhavan, PI; Enid Schatz, co-PI; Jane Menken, co-PI)	7/01/05-6/30/08 Total \$126,000
2006-8377	Hewlett Foundation <b>African Population Studies Research and Training Program (PI)</b>	10/1/06-9/30/09 Total \$900,000
