Who sets the rules for the global Internet? Come and learn about the principles of Internet Governance, and how you fit into that ecosystem. We’ll discuss the article entitled “Internet Governance is our Shared Responsibility,” available at https://ssrn.com/abstract=2309772.

Patrick Ryan currently works on making Google Apps, the world’s most trusted cloud service. Prior to joining Google, Patrick worked as a consultant and as a lawyer at his own Denver-based firm, and he served as the faculty director of the Interdisciplinary Telecommunications Program at the University of Colorado at Boulder.
