

I am applying for the following cohort:

Science & Math _____

Social Sciences / Humanities / Lively Arts _____

Miramontes Arts and Sciences Program

The University of Colorado at Boulder College of Arts and Sciences

Continuing CU Scholar (Affiliate) Application

Application Instructions and Information:

The Miramontes Arts & Sciences Program (MASP) at the University of Colorado at Boulder serves to challenge and support students interested in participation in an intellectually enriching and diverse community. **MASP is a participatory program based on active, on-going involvement in an academic community.**

You must currently be a University of Colorado at Boulder student or have attended at least one semester at a college or university and have been accepted to CU-Boulder to be eligible for MASP Affiliate status. **Affiliate students must complete two semesters of MASP academic and community requirements before they are considered for the scholarship.** The scholarship is then maintained by continued completion of MASP requirements and involvement in the MASP community. Please submit completed application within the first two weeks of the semester for Affiliate consideration. We will honor faxed applications. Completed applications should be mailed to:

Miramontes Arts and Sciences Program
Campus Box 347
Boulder, CO 80309-0347

All material must be typewritten or printed and include:

1. A completed Continuing Scholar Application Form.
2. Two letters of recommendation. Two letters of recommendation. Letters from high school teachers/counselors should indicate how long the person has known the applicant and in what capacity. **Specific attention should be given to the applicant's commitment to academic excellence and their capacity to perform in a rigorous academic program.** (A current or former MASP student or instructor may write one of the letters.)
3. Latest official or unofficial (high school or college) transcript.
4. One of the following essays: (750 words each)
 1. After hearing and reading the information about MASP, why would you like to participate in such a rigorous academic community?
 2. MASP is an academic community comprised of students from diverse ethnic, racial, gender and social backgrounds. Why is being part of such a community important to you?
