Subject: Faculty Positions at Amrita University, India

Amrita University, one of India's premiere teaching and research institutions, is inviting talented individuals with a Ph.D. or those completing their PhD in the next 12 months with a strong commitment to teaching and research for faculty positions at its Bangalore, Coimbatore, and Amritapuri campuses.

ABOUT AMRITA

Amrita has been ranked in the "Ivy League" of Indian Universities by the Ministry of Education, Government of India. Accredited with the highest grade of 'A' by the National Assessment and Accreditation Council, Amrita has fortified its position as a nationally and internationally ranked institution of higher education. The University has been ranked the #1 Private University in India by the 2017 National Institutional Rankings Framework (NIRF) conducted by the Government of India, the # 1 Private University in India in terms of International Outlook by Times Higher Education BRICS University Rankings, and the #1 Private University in India in terms of International Faculty by QS University Rankings BRICS.

Amrita has 14 schools across 5 campuses with over 200 degree, diploma, and certificate programs (undergraduate, postgraduate, and doctoral). The University has 2,000 faculty, 19,000 students, over 600 research scholars, more than 30 research centers - 20 of which have been identified as Centers of Excellence – and has received over \$68 million in research funding. In addition, Amrita has over 10,000 publications in SCOPUS and PubMed, over 100 patent filings, and over 90 international collaborations.

Amrita's vision of intellectual social responsibility is the foundation of education and research activities at the institution, which strives to bring about positive change in society through impactful, socially conscious research. The University puts a great deal of emphasis on research and development of innovative technology to address national and global challenges but also to implement novel solutions for the common man.
