Browsing the Course Catalog in the Faculty Center

1. In the Faculty Center, click the **Search** tab.

2. Click the **browse course catalog** tab. This will display the **Browse Course Catalog** page.

On the **Browse Course Catalog** page, you can search by one or several parameters, including:

- School/College
- Course Attribute
- Course Attribute Value
- Department
- Course Subject

![Browse Course Catalog page](image)

**Note:** The **Select Institution** field is a **REQUIRED** field.
3. Click on either the **Expand All** button or the individual subject **Expand** button to view a list of courses within a subject. You can limit the search results further by adding the **Search by Course Subject** field to your search parameter.

4. Once you’ve entered all your criteria, click the **Search** button.

5. To view details for a course, click the appropriate link in the **Course Number** field.
