Procite Rec# 2135
Author: Office of Research and Testing
Book Title: Perspectives on Campus Diversity, a survey of CU-Boulder undergraduate students, spring term 1990
Place of Publication: Boulder, CO
Publisher's Name: University of Colorado-Boulder
Date of Publication: 1990, August
Report ID: R+T l:\ir\minsurv\rept\present2.txt 8/1/90
Storage Location: IA Surveys Shelf- Campus Community (Climate) Surveys
Updated 8/7/08 (csk): Two HUGE binders: Vol I -- Open Comments, Report, Instrument, Sample Questions, Ques. Vars., Analysis, and Admin. Vol II -- Open Comments (verbatim responses) only. Report summarizes major findings and reports data on a number of racial/ethnic issues assessed from a CU sample population of Asian, black, Hispanic, Native American and white students. Comparisons of ratings between ethnic groups are stated and graphically presented. Individual students' anonymous quotes are cited for the racial stereotyping question. (ck 11-14-90) Includes additional copies of report: titled "Preliminary Report" (apparently all that was done), and of questionnaire. AND a folder that includes copy of City of Boulder presentation on selected items from the survey (by Paul Hobson-Panico) done in June, 1990. See Procite #4455 for subsequent 1994 Building Community through Diversity (similar) survey.
