Thanks for taking the time to complete this survey!

As a current CU-Boulder graduate student and former ACCESS student, you have been selected to participate in an important survey. Your reply will help us improve our transition program from ACCESS to graduate school, so we would appreciate your honest response to the survey questions. The survey should take less than ten minutes. Students who submit a completed survey by WEDNESDAY, DECEMBER 8th will be eligible to win one of four $250 scholarships.

A few important things to know: You can choose to stop the survey and resume later by closing your browser window. When you want to resume, just click on the same link and you will return to the survey page following the last one you submitted. The back button on your browser will not take you back to previous pages, thus you cannot change responses on pages you have already submitted. Some pages will scroll and pause somewhat after being submitted. This is normal.
