## PREPARING FOR YOUR ARRIVAL IN THE UNITED STATES

- Notify ISSS and your CU-Boulder department if you are unable to begin your J-1 program on the date indicated in item 3 of your DS-2019.
  - Depending on when you intend to arrive in the U.S., a new DS-2019 may be required.
- Obtain health, evacuation, and repatriation insurance that meets the Department of State requirements for you, and if applicable, your dependent(s). You must maintain sufficient insurance for the duration of your J exchange visitor program.
  - Valid insurance is REQUIRED from the start date of your J-1 program. Failure to maintain sufficient insurance is a violation of status.
  - If you will be on the CU-Boulder payroll and receive benefits through the University, please note that:
    - 1) CU insurance does NOT include evacuation and repatriation coverage. You must purchase a separate plan with this coverage.
    - 2) The CU high deductible insurance plan does NOT meet the J insurance requirements.
    - 3) Benefits take effect the first day of the month. If you do not start your employment on the first day of the month, you must purchase sufficient insurance coverage until the first day of the next month.
  - ISSS will not activate your J exchange visitor program in SEVIS until you submit the Insurance Compliance Form certifying that you have sufficient insurance for yourself, and if applicable your J-2 dependent(s).
