

DEPARTMENTAL REQUEST FOR DS-2019 FOR AN EXCHANGE VISITOR (completed by Department):

The University assumes responsibility of some magnitude in undertaking visa sponsorship for an international visitor ("exchange visitor") in the J visa category. All visitors on a CU-Boulder J program must have at least the equivalent of a Bachelor's degree. Please provide complete and accurate information about your visitor, the purpose and goals of the visit, and his/her funding. We, in turn, are responsible for guaranteeing this information to the U.S. government.

*****Beginning 9/10/12, departments will be charged a \$100 fee for ISSS to process a DS2019 document for the visitor. Departments can pay this fee by providing ISSS with a speedtype (see below).*****

By agreeing to host the international visitor, departments agree to provide office space and support to the visitor for the duration of the J program. The hosting faculty member must be physically present on campus for the duration of the visitor's J program and also assumes responsibility for ensuring that:

- the visitor has sufficient English proficiency to participate in the J program,
- the activities as outlined in this form are appropriate for University sponsorship of the J visa,
- the visitor has the education and experience to fulfill the objectives listed here and
- he/she (host) maintains regular contact with the visitor to ensure the goals of the program are being met.
