Good afternoon Folks!

Somehow, August crept up and we are now in the thick of it! It won’t be long before we meet you on campus. We are excited and will be ready!

Throughout campus, CU-Boulder staff and faculty are gearing up for your arrival. Please watch the U.S. mail and alert your student to monitor their University e-mail for important Move-In procedure information from Housing Services. If we all follow the plan, to the best of our ability, moving in will be as smooth as possible for everyone.

Also ready for your students are a wide array of important CU-Boulder resources to help them ensure success. The most recent edition of #BoulderBound, that your student received on Monday, has some of the many resources available listed, with links to each. You can find all the past editions at #BoulderBound.

It’s not too early to get your Family Weekend plans in order! In fact, we highly encourage you to register online today and then make your lodging arrangements. Just click on the graphic above. It will take you to the Family Weekend website that will explain the registration process, give you a description of all the activities, and link you to the online registration.

Just a couple more of our Top Tips for Parents:

1. Meal Plan Changes – The deadline to make changes to a residence hall meal plan without penalty is Sept. 4th. Changes made after Sept. 4th will incur a $50 fee. Requests can be made by e-mail to studenthousing@colorado.edu or by calling 303-492-6673.

2. Munch Money or Campus Cash? – Both are utilized with the Buff OneCard. “Munch Money” is part of a meal plan, does not
“roll-over” to the next semester, and is used only at Housing & Dining facilities. “Campus Cash” is added to the Buff OneCard, does “roll –over,” can be refreshed like a debit card, and is usable at all Housing & Dining Services dining and laundry facilities, and UMC facilities. For more information, http://housing.colorado.edu/dining/meal-plans.

Before we close, please let us remind you one more time about immunizations and health insurance. Your student must be covered by a health insurance plan. With proof of existing coverage (i.e. dependent coverage on a family plan), your student may waive the CU-Boulder student health insurance. This must be done by 4 September, or your student’s account will be charged. Click here for details.

Don’t hesitate to contact us with those last few questions. Just give us a call or send us an e-mail. parents@colorado.edu or 303-492-1380. The New Student Welcome Programs Office is another great source of information and guidance. You can reach them at welcome@colorado.edu or 303-492-4431.

All the best…Barney, Caro, and Lynn
