 \_\_\_\_\_

**IMPORTANT**

Parking permits remain the property of the University of Colorado at Boulder (UCB). Permits are non-transferable and must be surrendered to Parking and Transportation Services if requested for cause. I am responsible for compliance with applicable state and municipal statutes/ordinances and *University Parking and Traffic Regulations* while operating and parking vehicles on the UCB campus. I understand that violations are enforceable by citation penalty fines, vehicle impoundment and/ or criminal charges. I hereby agree to pay applicable permit fees. Permit fees transferred to the university's Billing and Receivable System (e.g. Bursar's bill) are subject to delinquency fines if balances remain unpaid. See the registration handbook or contact the UCB Bursar's Office at 303 492-5381 for specific information regarding delinquency fine assessments.

**A minimum of two people must be in vehicle to park in a carpool space. A fee will be deducted from refunds for permits returned to Parking and Transportation Services (fee not assessed for permit exchanges).**
