## NRC at UCB Program Questionnaire Policy and Practice Questions

February 2007

Page 1 of 1

**Thank you for your assistance with this important data collection effort. Please see <http://www.colorado.edu/pba/nrc/> for more information.**

**If more than one person in your program will be providing responses to this questionnaire, you must coordinate your efforts so that only one person is working on the questionnaire at a time. Your data will not be compiled correctly if two or more people simultaneously have the questionnaire open in separate browser windows.**

**Save your work and close your browser window. The next person can then open the questionnaire and enter data.**

**Items are numbered as on the [NRC program questionnaire](#). Other items on the questionnaire are being generated by PBA and Steering.**

**C4. What is your program's policy regarding whether a master's degree in the field is required prior to admission to this program?**

- It is required prior to admission
- It is expected that students will earn it as a stage in their doctoral program
- Neither of the above

**C14. Please indicate the criteria your program uses to admit students to candidacy. (Select all that apply.)**

- Successful completion of required coursework
- Successful completion of written examination(s)
- Successful completion of oral examination(s)
- Award of the master's degree
- Defense of a dissertation prospectus
- Other (please specify below)

**If you selected *other* above, please specify that criterion.**

---

**D5. Does your program require all (or most) doctoral students to serve as teaching assistants (TAs) as part of their doctoral experience?**

- Yes  
 No

**D6. For how many terms are they required to TA?**

.select one.

**D8. Please indicate whether YOUR PROGRAM provides the following kinds of support for doctoral students or doctoral education. Those provided at the campus level are noted with a trailing X, for reference. Select all those provided by your program regardless of whether they are provided at the campus level.**

- Orientation for new graduate students--X  
 International student orientation--X  
 Language screening/support prior to teaching--X  
 Instruction in writing (outside of program requirements)  
 Instruction in statistics (outside of program requirements)  
 Prizes/awards to doctoral students for teaching and/or research--X  
 Assistance/training in proposal preparation--X  
 On-campus, graduate student research conferences  
 Formal training in academic integrity/ethics  
 Active graduate student association--X  
 Staff assigned to the graduate student association--X  
 Financial support for the graduate student association--X  
 Posted academic grievance procedure--X  
 Dispute resolution procedure--X  
 Regular graduate program directors/coordinators meetings--X  
 Annual review of all enrolled doctoral students--X  
 Organize training to help students improve teaching skills--X  
 Travel support to attend professional meetings--X

**D10. Does your program collect data about employment outcomes for all of your doctoral graduates?**

- Yes  
 No

**D11. Do you provide potential applicants with this information?**

- Yes  
 No

**D12. Approximately what percentage of the doctoral students in your program have a workspace for their *exclusive use*? (For example: a carrel in the library; a desk in an office or other place where they can keep books, papers, and materials.) Please enter this percentage as a whole**

number, *without* a percent sign (%). \_\_\_\_\_

Percentage with exclusive workspace (e.g., 48)

**Record here anything else you want to tell us (UCB NRC, PBA, UCB steering -- not NRC itself) about these questions.**

---

**Are you finished with this questionnaire? Once you say yes, we will extract and use your data. Until you say yes, you can come back and edit your data.**

Yes

No

**Thank you for your assistance!**
