Dear CU-Boulder Graduate:

We hope your CU degree has been serving you well! We are contacting you this spring to gather information on the activities and successes of our recent graduates. We would like to know how well your CU-Boulder degree prepared you for “life after CU” – whether you went on to pursue further education, employment, or both.

Your input is invaluable to your former department in helping them improve their academic offerings to CU students. Please let us know how beneficial your CU degree has been to you since you graduated. All information that would permit identification of individuals will be kept confidential.

Simply go to the following website to complete a short **5 to 10-minute survey** => **www.colorado.edu/pba/alum.html** You must enter the four digit Questionnaire ID (QID) number, located next to your name on the mailing label of this postcard, in order to begin the survey.

All respondents who complete the survey by **Monday, July 9th, 2007** will be eligible for **one of two \$1,000 cash prizes or one of four \$500 cash prizes!**

THANK YOU in advance for your time and participation in this important endeavor!

Sincerely,

Phil DiStefano, Provost
