Name: _____ Score: _____ of 5

True or false?

According to Eleonore Stump, in "Dante's Hell, Aquinas's Moral theory, and The Love of God"

1. The main reason for hell is that God needs to torture people forever as a punishment for their sins.
2. The damned in hell have made a single free and well-informed choice to damn themselves forever.
3. Hell is the best God can do for some people.
4. The damned in hell are suffering the natural consequences of their own free choices.
5. God has a rescue plan whereby all those in hell are eventually united with God.
