\*\*\*CHECK POINT\*\*\*

**Raise your hand and have an instructor check out your progress.**

5. Fill in your title and production company name on the class table at the front of the room. (*Reporter*)

6. Now, create a "story board" for your group's movie. To do this, divide your white board into squares. In each square, sketch the scenes of your movie.

7. Make a list of the materials you would like to use to make your movie.

_____	_____
_____	_____
_____	_____
_____	_____

\*\*\*CHECK POINT\*\*\*

**Raise your hand and have an instructor check out your progress.**

8. Gather your materials. (*Equipment Manager*)

9. Make a first draft of your movie using SAM Lite.

10. What did you like about your draft?

---

---

---

---

---

11. What would you change for your final version of your movie?

---

---

---

---

---

\*\*\*CHECK POINT\*\*\*

**Raise your hand and have an instructor check out your progress.**

12. Now, create your final movie using SAM!

*Raise your hand if you need help using SAM.*

\*\*\*CHECK POINT\*\*\*

**Raise your hand when you are finished with your movie.**
