

Quantum tunneling

Announcements:

- 2nd exam is on Tuesday (April 7) in MUEN 0046 from 7:30 – 9:00 pm.
- Homework solutions are on CULearn and next week's homework is available on the website (part of it is to turn in this tutorial).
- More practice exams have been posted on CULearn
- Today is a quantum tunneling tutorial.
- Please arrange yourself in groups of 2 or 3.
- You can pull off the last page of the tutorial
- Kathy Perkins will be helping (me mostly) today
