

The University of Colorado Police Department in Boulder is currently seeking motivated, POST-Certified with at least one year experience individuals to join the department as a Police Officer-I.

Officers at UCPD are dedicated to providing high quality police services to enhance community safety, protect life & property, and to reduce crime and the fear of crime. Working closely with community members, UCPD officers provide 40,000 students, staff, and faculty with a full range of police responses.

Persons hired as Police Officer-I will be eligible for lateral salary levels, dependent on experience. Also, considerable overtime events avail themselves each year.

Benefits include health, dental, and life insurance programs, uniform allowances, PERA retirement, and education benefits.

Training of selected individuals will include an orientation and field training program that will recognize your previous experience and skills.

Details about the University of Colorado Police Department and the application process are contained on the following pages.
