High School Course Appeal

This form is for use ONLY by students who are petitioning to have a high school course reviewed for applicability toward a MAPS requirement. If you are petitioning to have a course completed at another college or university applied to a MAPS requirement, do not use this form. Ask your academic advisor for a College MAPS Appeal Form.

Complete a separate form for each high school course you are appealing. Appeals must be submitted to the Office of Admissions prior to the end of your second semester at CU-Boulder. **Attach an official course description and/or course syllabus from your high school.** Include any other information that you feel will help the MAPS Committee in its decision. You will be notified of the committee's decision in four to six weeks.
