

blood of astronauts. She was featured in the August/September issue of *Society of Hispanic Professional Engineers* magazine.

Vanessa Aponte

The Puksta Scholars program chose juniors **Joshua Lathan** and **Stefan Awad** and freshman **Alyssa Rezendes** to receive \$4,500 scholarships. Puksta Scholars are recognized for their commitment to civic engagement and socially responsible citizenship.

The National Humanities Center fellows included associate English professor **Charlotte Sussman** in the 2003-04 class.

The American Political Science Association awarded associate political science professor **Scott Lerner** the Alan Rosenthal Prize for his book *Why Congressional Reforms Fail: Reelection and the House Committee System* (University of Chicago Press). In his book Scott contends that legislators resist rearranging committee powers and jurisdictions because of their ambition for reelection.

The Sterling Rice Group marketing firm presented undergraduate **Amanda Freeberg** with its Outstanding Marketing Student Award and grad student **Tina Weiler** with the MBA Academic Excellence in Marketing Award. Leeds School of Business faculty members judged nominations.

Nicholas Rosenbaum law professor emeritus **Norton Steuben** and chemical and biological engineering professor **Richard Noble** have been awarded Fulbright grants to teach internationally. Norton, a specialist in tax law, will lecture at several universities in the Ukraine. Richard will be using his chemical separations technology expertise to teach environmental science at Hassan II University in Morocco.

Denison University honored Moses Lasky Professor of Law **Charles Wilkinson** for his contributions to the legal profession, the community and his alma mater. Charles is also a distinguished author and

award-winning project manager he hopes to execute during his time at CU, including compiling an encyclopedia of Latina and Latino popular culture. Arturo is a tenured professor from Arizona State University and is fluent in Spanish and French.

EDUCAUSE honored CU's chief technologist, **Kenneth Klingenstein**, with the award for Leadership in Information Technologies, recognizing his achievements in identifying and advancing technology directions in higher education. His foresight helped the Boulder Valley School District become a national leader in K-12 networking.

Musician and entrepreneur **Kevin Woelfel** has been appointed director of the Entrepreneurship Center for Music at CU's College of Music. Kevin is a composer, arranger and trumpet player.

## Errata

The death of Frank P. Radford listed in our September issue refers to the Frank P. Radford who graduated from the College of Arts and Sciences in 1941. **Frank P. Radford** of Loveland, Colo., who attended CU in 1937-38, reports that he is alive and well. He has retired from the mortuary sciences and is enjoying watching the seasons come and go.
