

EQUIPMENT RENTAL/LOCKERS

Daily Use of Equipment

Members of the Recreation Center may check out equipment using a valid Buff OneCard or membership card. There is no charge for the daily use of most of our equipment as long as the items are returned by the time the building closes; the late fee is \$1 per item per day. Patrons are limited to two like items per ID. Hockey equipment is only rented to Rec Center members for use within the building. Hockey gear rental is \$4, tax included, per day and the hockey gear late fee is \$25 per day after four hours.

Day Locker and Towel Service

We offer a day locker and towel service at no extra charge to Recreation Center members. Simply present your valid Buff OneCard or membership card at the Equipment Checkout window. You will receive a towel and a lock to be used in our locker room facilities. To get a fresh towel at any time during or after your workout, just ask for an "exchange" at the Equipment Checkout window. Locks and towels need to be returned at the end of each day. For those of you who wish to store gear on a more permanent basis, we offer a semester locker rental service.

Semester Storage Locker Rental Service

To rent a locker for the semester, present your Buff OneCard or membership card to either the cashier at checkout or to the main cashier on the first floor. You will be given your locker location and a towel. The Rec Center provides a lock. You must use the storage locker and lock assigned to you.

The locker rental fee is \$10 per semester plus a one-time deposit of \$5. The deposit is refunded when you return your lock and towel by the specified expiration date. Personal items left in the locker after the rental period are held for 90 days after which all unclaimed items are disposed of or donated. You can now rent a locker for up to three semesters at once to save time.

Note: Private locks are allowed only on a daily basis. If left overnight, private locks are cut off lockers and contents are impounded. There is a \$5 impound fee to retrieve your items. The Rec Center is not responsible for theft; don't forget to lock your locker.

Coin Operated Lockers

If you work out in the free weight room or the running track, you can use coin operated lockers outside the free weight room and on the running track for 25¢. Personal items can be stored for one day. There is a \$5 charge to retrieve items left overnight. Lost or stolen keys cost \$15 to replace.
