## OFFICIAL'S MANUAL

UNIVERSITY OF COLORADO RECREATIONAL SPORTS

Dear Intramural Officials:

Welcome to the University of Colorado Intramural Program. As an official you play a very important role in the success of our program. Without the hard work and dedication of our officials, our Intramural Program could not exist. Officials have the most contact with the participants in the programs and events that we provide. You are a reflection of our program, the Department of Recreational Services, and the University of Colorado.

I hope that you are looking forward to the 2015-2016 Intramural Programs. I know we can build a group of outstanding, hard-working officials, as well as a great group of friends.

The Intramural office is a primary source of information for our staff. Office hours are Monday-Thursday 9am-6pm and Friday 9am-5pm. The phone number is 303-492-2893. Our website is [www.colorado.edu/rec-center/programs/intramurals/index.html](http://www.colorado.edu/rec-center/programs/intramurals/index.html). Officials should check the official's page regularly for information about meetings and schedules.

All officials will receive a manual and must participate in training. This is designed to provide new and old officials with clear guidelines and information that will assist you during the 2015-2016 Intramural sessions. Please feel free to stop by, email, or call if you have any questions.

Thanks and have fun!

Schedules will be on When to Work for the upcoming week on Thursday by 11:59pm. Officials are responsible for receiving the schedule; failure to attend a shift due to not getting the schedule is unacceptable and will result in an unexcused absence and minimum of a one-week suspension.

Officials must fill out their availability on When to Work and keep it up to date each week. Officials must be available to work at least two nights during the week and two

weekends during the session. If an Official is unavailable to work a certain date, that Official must notify the Sport Supervisor before the schedule has been made for that work week.

- 4) New Officials who attended the clinic.
- 5) Veteran Officials who did not attend the clinic.

**CONDUCTING INTRAMURAL COMPETITION**

**Before Competition**

Officials should arrive at work at least 15 minutes early in order to set up equipment, help check-in teams, go over rules, talk to officiating crew, and get any important information from your Supervisor.

At the start of each game, all officials involved in the contest should hold a meeting with the captain from both teams. Here officials should answer any questions, clarify game rules, and conduct a pre-game coin toss. Games need to be started on time. If a team is not present at game time, consult the Supervisor to take the proper actions to either declare or avoid a forfeit.

**During Competition**

Officials should conduct themselves in a fair and safe manner. Officials should be aware of the score and the game time. Maintaining control of each game should be the major goal of any official. **Do not let games get out of control.** Communicate effectively

with your partner. If any questions about a rule come up, contact the Supervisor. Be sure to enforce the rules pertaining to the specific competition.

1. **Equipment:** Any equipment that is used for the game will be provided by the Intramural Department. It is the official's responsibility to take equipment to the court/field for setup and to retrieve it after the game is finished.
2. **Evaluations:** During each sport, the Supervisors and Intramural Coordinator will be evaluating your performance as an official on the court/field. These evaluations will be used as a learning tool to improve your performance as an official. You are welcome to discuss your evaluation with the Intramural Coordinator at any time. These evaluations will also be used for end of the year awards and promotion.
3. **Injuries:** In the case of an accident, report it immediately to the Sport Supervisor. Your job is to keep all unnecessary people away and to assist the Supervisor as needed. Under no circumstances are you to move the injured person, unless you are instructed to do so by the Supervisor. After the game you may need to help the Supervisor fill out an injury report.
4. **Ejections:** If a participant has been ejected from a game, do not continue the game until the ejected player has left the court. The Supervisor on duty is responsible for making sure the ejected player leaves the premises. After the game, a player report must be written up and you will be required to fill out all information regarding the situation. Please be as specific as possible when writing the report.
5. **Protests:** Teams may file protests concerning a rule interpretation, discrepancy, or eligibility. Protests on judgment calls are **not** allowed. Whenever a matter of protest arises, the team captain must notify one of the officials and the opponent **BEFORE** the next live ball. If the protest is not lodged, it voids the protest. Once the protest is noted, the official will suspend play. The captain will then state the basis of the protest. The official will then explain the basis of the decision. If the captain would like to appeal this decision he/she must request that the Sport Supervisor review the decision before play resumes.
6. **Defaults:** Any team that does not attend the captains meeting or any basketball, flag football, or soccer team that does not wear like-colored uniforms to games will receive a Default.
  - Teams that receive one Default for not wearing like-colored uniforms may advance to the tournament provided that they wear like-colored uniforms to the remaining games.
  - Teams receiving two Defaults will not be allowed to advance to the tournament.
  - Teams receiving one Default and one Honest Effort Forfeit will be allowed to buy their way back into the tournament for \$20, provided they correct the reason for the default. Teams can only buy their way back into the tournament by 4:00pm of the day following their last regular season game.
  - Teams showing up to the playoffs without like colored uniforms will be allowed to play that game but will not be allowed to advance.

### **After Competition**

At the end of each night, the Supervisor is responsible for the following duties:

1. **Equipment:** All equipment is accounted for and put away and the playing areas are clean.

2. **Sportsmanship Ratings and Captain's Signatures:** Official's must evaluate each team's sportsmanship and rate them respectively on the attached roster. Captains must then sign this roster after each game.
3. **Trash:** It is the responsibility of Intramural teams to clean up after themselves; any remaining trash becomes the Intramural Official's responsibility. All playing areas must be clean of any trash or debris concluding Intramural participation.

### **Disciplinary**

The following disciplinary actions will be taken against employees for inappropriate behaviors:

As an Intramural participant, all Officials need to be an exceptional example of good sportsmanship. Any displays of poor sportsmanship during any Intramural sport will not be tolerated and could lead to suspension or termination.
