Article II: Professional Athletes

Current professional athletes are not eligible to participate in any Intramural Sports event. A professional player or athlete is defined as one who has received monetary compensation for his/her athletic services. Former professional players may participate in their sport if approved by the Intramural Coordinator. Failure to receive approval prior to participation may result in denial of participation and forfeiture of any game in which they participated.

Article III: Intercollegiate Athletes

Current intercollegiate athletes are not eligible to participate in their sport or any like or related sport. An intercollegiate athlete is any individual participating in intercollegiate contests, attending regular practice, whose name appears on the official squad list, or who has won a letter at a recognized senior college. Varsity, red shirts, junior varsity players, and freshman are all considered intercollegiate athletes. An individual is considered an intercollegiate athlete for an entire academic year unless he/she has been dropped from the team roster before the first intercollegiate contest and are no longer playing or practicing with the team. Any intercollegiate athlete participating in an Intramural event in their like field may result in suspension of participant eligibility and forfeiture of any game in which they participated.

Article IV: Club Sports Athletes

A member of a club sport is defined as a student who participated or practiced with a club during the current academic year. Intramural teams are limited to 3 club players per team in their specific sport or any related sport and they must play in the most competitive league. Any player or team that does not adhere to these guidelines may result in suspension of participant eligibility and forfeiture of any game in which they participated.

Article V: Competing on Multiple Teams

A participant whom is otherwise eligible may participate on one co-rec team and equal opportunity team respectively for the same sport per season. A player may not participate on multiple equal opportunity or co-rec teams for the same sport in the same season. Failure to adhere to this policy will result in suspension of participant eligibility and forfeiture of any game in which they participated.

Article VI: Assumed Names

Players may not participate using another member's identity. Any participant found participating under an assumed name will have their false identification card confiscated, be suspended from all Intramural Sports and will also forfeit of any game in which they participated.

Article VII: Roster Additions

Players may be added to a team's roster at any point during the regular season, roster additions will not be allowed in the post season tournament. To be eligible for a participation in a particular game, a player must be added to a team's online roster by no later than 3:00pm on the day of the game they wish to attend. If the game in which they wish to participate should fall on a weekend, that player must be added by no later than 3:00pm on the Friday preceding that game. Any player(s) added after these set deadlines will not be allowed to participate in that evening's competition. If a player fails to be added to a team's roster, they will not be allowed to compete on that team until they have successfully been added. Failure to be added during regular season play will result in exclusion from the post season tournament.

By adding to the roster, participants acknowledge that they are eligible to play for that team and assume all responsibility for any actions taken by the intramural sports staff if you are found to be ineligible.

Intramural Sports reserves the right to investigate the eligibility of teams and players. These investigations may result in forfeiture, probation, and/or suspension. Teams must follow the eligibility requirements stated in this handbook.

Article VIII: Failure to Check-in

It is the responsibility of every participant to check-in for every game with the Intramural Sports Supervisor or Monitor. Failing to check-in for a game is a violation of the rules. All players should check-in 15 minutes before game time with their Buff OneCard or Recreation Center Membership I.D. Card. If a member of a team fails to check in during the regular season, that member will not be allowed to participate in the post season tournament.

Article IX: Eligibility Protests

For an eligibility protest, the protesting team must notify the staff on duty that they are challenging eligibility before the completion of the game/match. Any protest filed after this time will have no bearing on the game in question. If a team wishes to protest an opponent's roster after this time period, they may email imsports@colorado.edu to do so. Please note that protesting after the

conclusion of the game will result in an investigation of the roster in question, but not a reversal in game outcome. To file an eligibility protest, the following information must be provided:

- Date, time, place, and level of game.
- Names of the teams involved.
- Name of the ineligible player(s).
- Reason why player is believed to be ineligible

****Final decisions regarding all eligibility issues are the discretion of the Intramural Coordinators****

SECTION II: TEAM CAPTAIN RESPONSIBILITIES

Article I: Team Captain

When registering online for an intramural event, the individual who registers the team is assigned as the team captain. This person will be the main contact between Intramural Sports and the team.

Article II: Responsibilities

Team captains provide a very important link between teams and the Intramural Department. The successful flow of our program greatly depends on the abilities of the captains. A team captain's responsibilities include (but are not limited to) the following:

- Review the Intramural Handbook and become familiar with all Intramural Policies and Procedures.
- Review and be familiar with all rules pertaining to each and every sport of which they are a captain.
- Turn in a complete online entry form with team information and captain's complete contact information.
- Maintain contact with the Intramural Office. The Intramural Office will communicate any pertinent information to team captains via email as a courtesy. This information can include such items as when schedules are posted, post-season tournament information, game cancellations, and additional game opportunities. Please note that all information distributed by the Intramural Office is merely a courtesy and it is solely the responsibility of the team captain to ensure they are receiving any and all emails and necessary information. Failure to receive an email does not excuse failure to adhere to any guidelines, deadlines, etc.
- Know the eligibility of all team members according to the Intramural Sports Handbook. It is responsibility of the team captain and participant to know their eligibility and adhere to the set guidelines; the Intramural Sports Staff is not responsible for player eligibility. Please refer to the eligibility section in this handbook for further clarification.
- Notify each team member that they must present a valid Buff OneCard or Rec Center Membership ID before they can participate in any scheduled contest. **NO ID, NO PLAY, NO EXCEPTIONS!**
- Inform every member of your team about all pertinent Intramural Policies & Procedures, sports rules and eligibility restrictions.
- Know any and all game times scheduled for their team. All schedules are posted online on the Intramural website. Game schedules will not be given over the phone or in person. It is the responsibility of the captain to verify any game time online, any misinformation will be the responsibility of the team captain to verify. The online schedule will be held as the true schedule and will be honored over any information given over the phone.

- Control and be responsible for their self, team and spectators before, during and after any Intramural participation.
- Ensure that each desired player is added to the team's online roster by no later than 3:00pm the day of the game they wish to attend. If the game in which they wish to participate should fall on a weekend, that player must be added by no later than 3:00pm on the Friday preceding that game. Any player(s) added after these set deadlines will not be allowed to participate in that evening's competition.
- Ensure that the minimum number of players are checked in and ready to play prior to game time. Failure to do so will result in a Forfeit and a \$20 fine. If the Forfeit fine is paid within four business days following the forfeited game, the team will be allowed to continue in the league and will be eligible to compete in the post-season tournament. If the Forfeit fine is NOT paid within four business days following the forfeited game, the team will be dropped from the league and will not be eligible to compete in the post-season tournament. Any subsequent Forfeit will result in ejection from the league and ineligibility for the post-season tournament. Should the Forfeit occur within four business days prior to the commencement of the post season tournament, it is the responsibility of the team captain to email imsports@colorado.edu BEFORE 9:00am of the day following the forfeited game to express their desire to pay the Forfeit fee and maintain post season eligibility. Failure to do so will result in exclusion from the post season tournament. The \$20 charge is still assessed and will be sent to collections if not paid.
- Respectfully present any questions, comments or concerns to the officials and supervisor that their team may have at any point during the game. ONLY the captain has the authority to discuss any issues with the Intramural staff, failure to respect this may result in lowering of sportsmanship.
- Ensure that all players on their team have read, understand and comply with the following Participant Responsibilities section. Failure for a player to respect these guidelines will impact the team and captain as well.
- Sign the game sheet after each game to verify the score and sportsmanship rating.
- Handle any team or player judicial issues that may arise during their season.
- Pay any fines assessed to their account. Failure to do so will result in their fine being sent to collections.
- Notify the Intramural Office of wish to buy into the post season tournament if their team meets the outlined qualifications (please see the Post Season Tournament section). It is the responsibility of the team captain to notify the Intramural Office if their team wishes to buy into the post season tournament by the established Buy-In date. Failure to contact the Intramural Office by this due date will forfeit a team's buy in eligibility.

*****Due to the constraints of the online system, all Intramural Sports team captains must be full-fee paying students*****

Article III: Mandatory Captain's Quiz

All Intramural Team Captains must complete an Intramural Sports Captain's Quiz for each and every Intramural Event of which they have registered as a team captain. Each player must also complete a participant quiz to join the team, so they are aware of intramural policies and procedures along with sport rules. Both the captain and players must pass the quiz with a 90% before they are able to register their intramural team.

SECTION III: PARTICIPANT RESPONSIBILITIES

Article I: Responsibilities

Each person who chooses to participate in an intramural event assumes responsibilities as an individual participant. An individual participant's responsibilities include (but are not limited to) the following:

If the game in which they wish to participate should fall on a weekend, that player must add themselves by no later than 3:00pm on the Friday preceding that game. Any player(s) added after these set deadlines will not be allowed to participate in that evening's competition.

- Cooperate before, during and after competition with any Intramural Sports Staff.

****Failure to comply with these guidelines may not only impact the participant in question, but also the team captain****

Article II: Safety and Injuries

The possibility of injury exists in all sports. Intramural Sports assumes no responsibility for injuries. However, basic first aid will be available at game sites. All participants acknowledge an assumption of risk by their voluntary participation in intramural activities. All participants must sign the Release of All Claims Form prior to participating in any intramural activity.

When a participant is bleeding, has an open wound, or has blood on his or her uniform, the player will be directed to leave the game. The injured player may not return to the game until the bleeding has stopped, the open wound covered, and/or the bloody uniform is changed. The game may continue play without the injured player at the discretion of the intramural sports staff.

Knee and ankle braces unaltered from the manufacturer's original design/production shall be permitted and do not require additional padding. Please review sport specific rules for additional equipment restrictions and requirements.

SECTION IV: REGISTRATION AND ROSTER INFORMATION

Article I: General Information

As of the fall semester of 2016, CU Intramurals has moved to an individual registration fee instead of the traditional team registration fee. Each participant will pay \$16.50 for the semester and can play as many sports as you wish for that semester. Intramural registration will take place twice throughout the semester. Teams and individuals will register by visiting

<http://www.colorado.edu/recreation/intramuralsports/> and clicking on the register/join a team link. Participants can find details on how to create and register a team. Participants are responsible for checking the Intramural website for all details pertaining to their participation.

No Refunds Will Be Given for IM Sports Passes

***Please note that captains still must register their team via IMLeagues.** Any participant in need of a team may attend the Buff RoundUp, join the CU Free Agents Facebook Page, or join the Free Agents link on imleagues.com. We want to aide you in every way possible, so if you wish to participate and are still struggling to find a team, please stop by the Intramural Office or contact us via email or phone so we can further help you find a team.*

Article II: Creating a Team

After purchasing the IM Sports Pass participants will be granted access to IMLeagues. Captains will still need to register their team via IMLeagues, though no team fee will be collected.

The following are guidelines concerning the Intramural team registration process:

- Team registrations will be taken on a first come first serve basis until that league is full.
- Team names cannot be changed once the schedule is posted.
- The Intramural Sports Department reserves the right to change any team that is deemed potentially inappropriate or offensive. Any team name changed due to inappropriateness will have their new name be the full first and last name of the listed team captain.
- Teams are required to wear like colored shirts/uniforms in basketball, broomball, flag football, ice hockey, soccer, and ultimate frisbee. Permanent numbers are required on the shirts for basketball.
- Please use the proper judgment when selecting names and uniform artwork. Our goal is a pleasant, fun atmosphere for everyone competing. If you are unsure if a team name or t-shirt artwork will be acceptable, please contact the Intramural Sports Office.
- Please note that all team rosters are capped at twice the number of players allowed on the playing area plus two additional players (ie: basketball teams are capped at 12 players because 5 are allowed on the court at a time ($5 \times 2 = 10$, $10 + 2 = 12$)). Please make sure to use your judgment when allowing members to join your team because players will not be removed from a roster once accepted.

Article III: Joining a Team

- Participants must first purchase the IM Sport Pass

If the game in which they wish to participate should fall on a weekend, that player must add themselves by no later than 3:00pm on the Friday preceding that game. Any player(s) added after these set deadlines will not be allowed to participate in that evening's competition.
- Individual participants may join a team by either accepting an invitation from a captain or finding the team and captain name on imleagues.com and requesting to join.
- Please use your judgment when joining a team since participants WILL NOT be removed or dropped from a team's roster once they have been accepted by the team captain regardless if they've participated in a league competition or not.
- Participants may add themselves to a team's roster up until 3:00pm the day of the last regular season game for that team.

SECTION VI: LEAGUE PLAY

Article I: Email

Email is the main form of communication of the Intramural Sports Office. If you do not receive an email from imsport@colorado.edu by the first week of play, please notify the office ASAP. Please

note that all information distributed by the Intramural Office is merely a courtesy and it is solely the responsibility of the team captain to ensure they are receiving any and all emails and necessary information. Failure to receive an email does not excuse failure to adhere to any guidelines, deadlines, etc.

Article II: Schedules

All schedules are posted online on the IMLeagues website. Game schedules will not be given over the phone or in person. It is the responsibility of the captain to verify any game time online, any misinformation will be the responsibility of the team captain to verify. **THE ONLINE SCHEDULE WILL BE HELD AS THE TRUE SCHEDULE AND WILL BE HONORED OVER ANY INFORMATION GIVEN OVER THE PHONE.**

**Intramurals reserves the right to shorten any game times if necessary*

Article III: Reschedules

Regular Season

The Intramural Office DOES NOT reschedule regular season games once the schedule has been posted online. If your team is unable to make a regular season game, your team captain must email the Intramural Office at imsports@colorado.edu at least 24 hours prior to your scheduled game time Monday-Friday, and by no later than 3:00pm on the Friday preceding a Sunday game. The Intramural Office will then be responsible for offering out your game. If your game is picked up by another team, your team will not be credited with a Forfeit. However, if your game is not picked up by another team, your team is still responsible for playing that game. Failure to show up to a game where no replacement team was found will result in an Honest Effort Forfeit (HEF). Failure to notify the Intramural Office by the 24 hour deadline will result in a Forfeit.

**The Intramural Office reserves the right to reschedule games for administrative and weather-related reasons.*

**Any extra games picked up will count as regular season games*

Tournament Games

All captains will have the opportunity to let the Intramural Office know which days and times their team will not be able to play prior to the tournament schedule being posted. We will do our best not to schedule your team during those times for the FIRST ROUND ONLY. This is merely a courtesy and the Intramural Office is under no restrictions to honor any day of play request. After the first round, games will only be rescheduled when the conflict is due to academics or conflicts with other intramural events. Any reschedules requests must be received at the Intramural Office at least 24 hours before the scheduled game. If a subsequent game should fall within 24 hours, it is the responsibility of the captain to email imsports@colorado.edu BEFORE 9:00am of the day of the conflicting game(s). Reschedules will only be granted if we have time and space. Please note the opposing team must also approve the reschedule.

Article IV: Forfeits

GAME TIME IS FORFEIT TIME! All teams should arrive **15 minutes prior** to the scheduled start of the game to check in and get the necessary equipment for the game. Any team failing to report ready-to-play at the scheduled starting time shall forfeit to their opponent and be subject to the Forfeit Fee Policy outlined below. Any team receiving a Forfeit will receive a 0.0 sportsmanship rating and their opponent will be awarded a 3.0 sportsmanship rating. If you are not playing at least 50% of your scheduled games due to other teams forfeiting, please contact the Intramural Office to see if we can schedule more games for your team.

5-Minute Grace Period: If one team is present and ready to play, they can choose to grant their opponents a 5-minute grace period. If the required minimum number of players arrives within the 5 minutes, the game will be played and recorded as an official game. **NO EXCEPTIONS ARE PERMITTED TO THE 5-MINUTE GRACE PERIOD.** The length of game will be shortened according to the lateness of the new start time.

Forfeit Fee Policy:

Teams receiving one Forfeit

- If a team accumulates one Forfeit during the regular season, they will automatically be charged a \$20 fee that must be paid within the four business days following that forfeited game.
- If a team receiving one forfeit pays the assessed \$20 fee within the four business days, this team will be allowed to continue on in the league for the remainder of the regular season and will still be eligible for the post-season tournament (provided all other criteria are met). The sportsmanship rating for the team and game in question will then be changed to a 3.0 rating.
- If the team fails to pay this \$20 fine within the four business days, they will still be responsible for the \$20 fee, but will be automatically dropped from the remainder of the regular season and will not be allowed to participate in the post-season tournament.
- Should the Forfeit occur within four business days prior to the commencement of the post season tournament, it is the responsibility of the team captain to email imsports@colorado.edu BEFORE 9:00am of the day following the forfeited game to express their desire to pay the Forfeit fee and maintain post season eligibility. Failure to do so will result in exclusion from the post season tournament. The \$20 charge is still assessed and will be sent to collections if not paid.

Teams receiving two Forfeits

- If a team accumulates two Forfeits during the regular season, they will automatically be dropped from the remainder of regular season play and will be ineligible for the post-season tournament.

Loss by forfeit the day before playoff brackets are made

- If a team forfeits the day before brackets are made, the team will still be included into the bracket. However, if the team does not pay their forfeit fee by the time of their first scheduled playoff game, they will be dropped from the tournament.

How to avoid being charged the Forfeit Fee:

- If your team is unable to make a regular season game, your team captain must email the Intramural Office at imsports@colorado.edu at least 24 hours prior to your scheduled game time Monday-Friday, and by no later than 3:00pm on the Friday preceding a Sunday game. The Intramural Office will then be responsible for offering out your game. If your game is picked up by another team, your team will not be credited with a Forfeit. However, if your game is not picked up by another team, your team is still responsible for playing that game. Failure to show up to a game where no replacement team was found will result in an Honest Effort Forfeit (HEF). Failure to notify the Intramural Office by the 24 hour deadline will result in a Forfeit.

The Intramural Sports Supervisor maintains official time at each activity area and will determine forfeit time.

Article V: Honest Effort Forfeits (HEF)

An Honest Effort Forfeit will be given to a team if only a portion of that team is able to participate in a scrimmage game. Each sport has a minimum number of players needed per sport to be awarded an Honest Effort Forfeit (see table below).

- Teams that accumulates two or more Honest Effort Forfeits in a season will not advance to the post-season tournament.
- Any team receiving an HEF will receive a 3.0 sportsmanship rating.
- Teams receiving two or more Honest Effort Forfeits will remain eligible for league play but will be excluded from the post season tournament unless they elect to pay a \$20 buy-in fee. To pay this fee, the team captain must email imsports@colorado.edu by no later than 9:00am of the Friday before the start of the post season tournament.

These can include, but aren't limited to:

4.0 - Excellent Conduct and Sportsmanship – Players cooperate fully with the officials and the opposing team’s members. Only the team captain calmly and respectfully converses with officials about rule interpretations and calls. The captain also has full control of his/her teammates.

3.75-3.0 – Good Conduct and Sportsmanship – Team members verbally complain about some decisions made by the officials and/or show minor dissension, which may or may not merit a technical foul. Teams that receive one severe behavioral penalty will receive no higher than a 3.0 rating.

- **All teams must average at least a 3.0 rating during the regular season to be eligible for the post season tournament.**
- Any team receiving lower than a 3.0 rating in the post season tournament will not be able to advance. This does not mean that losing team advances if they have a 3.0 or better, it means that nobody advances.

Captain exhibits minor control over his/her teammates, but is in control of himself/herself. SECTION XI: PROTESTS AND APPEALS

Article I: Rule Protests

Once the protest is noted, the official will suspend play. The captain will then state the basis of the protest. The official will then explain the basis of the decision. If the captain would like to appeal the official's decision he must request that the Sport Supervisor review the decision before play resumes. The supervisor will give the final decision. Please note that judgment calls cannot be protested nor appealed.

Article II: Eligibility Protests

Protests involving player or team eligibility must be called to the immediate attention of the supervisor prior to halftime of the contest while the protested individual/team is present. Article III: Appeals- General

The appeal process exists to ensure that all rulings or disciplinary actions taken against Intramural teams or individuals are equitable.
