**Contents:**
- Limited Services, 5/19
- Concurrent Registration Reminder
- Grade Liaison Email List
- Change of Record Forms
- Registrar’s E-memos: Spring 2015 Grades Due Tomorrow, Spring 2015 Grades Overdue

**Limited Services, 5/19 (Office of the Registrar)**

The Office of the Registrar will offer limited services on Tuesday, May 19, from noon to 4:30 p.m. Notary services and rush transcript processing will not be available (see Order an Official Transcript for more information). Please conduct such business before or after this window. Our regular services will resume on May 20 during regular business hours (9 a.m.–4:30 p.m., Monday–Friday).

**Concurrent Registration Reminder (Liz Blaser)**

Students who seek to enroll concurrently at CU-Boulder and at one of our sister campuses (Denver/Colorado Springs) must have their home campus academic advisor’s or dean’s signature on their Concurrent Registration Form. This signature authorizes the Office of the Registrar to override enrollment restrictions so the student can be enrolled without delay on the first day of classes at the sister campus.

**Grade Liaison Email List (Lindsay Jackson)**

Each department should have a designated grade liaison who partners with the Office of the Registrar to help faculty post grades on time. If you are a new grade liaison, please contact Lindsay Jackson to be added to the grade liaison email list. Our office uses this list to post upcoming deadlines, share e-memos that your faculty receive and provide updates about missing grades during grading season. If you aren’t sure whether your department has a grade liaison, just ask.

**Change of Record Forms (Lindsay Jackson)**

Please remember that Change of Record Forms always require ALL signatures listed (Department/Instructor and Dean) in order to be processed, including during web grading season. Recently, we have received many forms missing signatures, which delays processing time.

Late grades cause serious consequences for your students:

- International students may have visa issues due to non-completion
- Students applying for jobs, internships, graduate school, etc., will be disadvantaged
- Students may not be able to enroll in courses with coded prerequisites
- Students who receive financial aid may fail their academic progress review
- The dean's office cannot certify students to graduate who have outstanding grades in required courses
- Student athletes cannot be certified for practice or competition if courses are ungraded
- Students may receive an F for an incomplete class that should have been graded by the deadline, which could cause them to go on probation/suspension and other serious consequences
- Dean's lists and class rank may be awarded before late grades are in; thus, students who deserve accolades may not receive them

Thank you for your prompt attention to this matter. If you completed all the steps above, you may disregard this message.
