Below is the update from the Office of the Registrar for June 15, 2015. If you have questions, please contact the person or unit associated with the update. Thank you!

Contents:

- New Student Welcome Update
- Certificates Posted to Transcripts
- Mountain Time Added to Enrollment Dates Page
- Routine Maintenance of Campus Solutions
- Registrar’s E-memo: Status Change: Placed in Nondegree Program

---

New Student Welcome Update (Susan Dorsey)

This week kicks off the 2015 New Student Welcome Days with an optional visit day for transfer students on Monday, and the first of seven freshman registration periods runs from Tuesday through Thursday. Subsequent registration periods are scheduled Monday through Thursday every week through the end of July.

The Office of the Registrar has already seen an increase in calls from students who are completing the Online Experience in D2L, where they learn how to register, learn about their school/college and advising, and get other important information about CU-Boulder. We expect the volume of questions to increase during registration weeks and have extended our call center hours to 8 a.m.–4:30 p.m. from June 15 through July 31.

Please be patient if our response to campus inquiries takes a little longer than usual. We will do our best to keep up with all our customers, both on campus and off. We hope the new online New Student Welcome Program registration and Welcome Days go well for everyone!

---

Certificates Posted to Transcripts (Lindsay Jackson)

On Monday, June 15, we start posting university approved certificates that were completed during Spring 2015.

---

Mountain Time Added to Enrollment Dates Page (Sarah Layton)

We have added the following sentence to the Enrollment Dates page in the Student Center: “All enrollment appointment times are in Mountain Time.” This will be helpful to our many incoming students registering for the first time out of state.
Routine Maintenance of Campus Solutions (Sarah Layton)

On Sunday, June 14, Bundle 37 and People Tools 8.54 were applied to the Campus Solutions production environment.

Display Differences

You may notice minor display differences because of the new People Tools version (examples circled in red).
**Self Service Bug**

In self service, when a student uses Internet Explorer, some button descriptions are longer than the button itself. This does not occur in Chrome or Firefox.

**Related Content Bug**

There is also a bug in Related Content. The Related Content frame will automatically open after clicking “Next in List” on a page.
If the Related Content frame opens and you don’t want to use it, you can close it by clicking on the dropdown arrow (circled in red).
Oracle is aware of these issues and, while there is not yet a targeted fix, we are hopeful that a fix will be included in the next bundle.

Registrar’s E-memo (Crystal Eilerman)

The following e-memo was sent on Thursday, June 11, to students who graduated in May 2015 but were registered for Summer or Fall 2015 in the same degree program.

Dear [name],

Our records indicate that you graduated from the University of Colorado Boulder in May 2015, yet you are registered for Summer and/or Fall 2015 in the same degree program. Students who have graduated from a degree program are not allowed to take additional courses in that program.

For this reason, you have been placed in a nondegree program for Summer and/or Fall 2015. You are still enrolled in your classes for these semesters. As a nondegree student, you will be able to register for Main Campus classes through the ACCESS Program in
future semesters.

If you wish to pursue another degree program, you have the following options:

- **Apply to the Office of Admissions** to pursue a second undergraduate degree.
- **Apply to a graduate program** to pursue a graduate degree (contact the department in which you wish to receive a graduate degree).

Please note:

- To withdraw from the university, you must follow the [withdrawal procedures](#).
- If you received an undergraduate degree and you're completing the requirements for an additional major, please contact your advisor.

Please contact the Office of the Registrar with questions.

Regards,

Office of the Registrar
