FERPA for Faculty and Staff (Becky Jones)
Tuesday, November 10, 10 a.m.–noon, UMC 245

The Office of the Registrar is hosting an informational session about FERPA, the federal law that protects student education records. To help faculty and staff at CU-Boulder understand how university personnel can and cannot store, use and share student information, this training will provide a short overview of FERPA followed by Q&A. Kristi Wold-McCormick, the campus Registrar, and Susan Dorsey, Associate Registrar, will apply their knowledge of FERPA to address your specific questions. Please feel free to submit your questions about unusual student data requests or situations. Impromptu questions are also welcome.

Please RSVP to Becky Jones. CU-SIS access is not required.

Special Action Forms Required for Class Drops (Becky Jones)

As of Friday, Oct. 30, students can no longer drop Fall 2015 classes through MyCUInfo. Students wanting to drop a class must now submit a Special Action Form that has been filled out and signed by the dean of their primary program to the Office of the Registrar.

Reminder: New Preregistration Items Hold (Sarah Layton)

Preregistration items cannot be completed in the new MyCUInfo app; therefore, we must prevent the student from using the app for enrollment if they have not completed their preregistration items in the portal.

Students have been assigned a service indicator that will prevent enrollment if they have not yet completed preregistration items for the spring term (most students have done this already). The service indicator directs students to complete preregistration items in the portal and does not mention the mobile app specifically.

This service indicator will be removed immediately following completion of the preregistration items.

Dear [first],

You are receiving this letter because the University of Colorado does not have a Social Security number (SSN) or Individual Taxpayer Identification number (ITIN) on file for you.

International students who are not eligible for a United States SSN or ITIN should disregard this letter. All other students must follow the instructions below to report their SSN or ITIN to the university.

To report your SSN or ITIN in time for the university to report it to the IRS for tuition credit on your 2015 income taxes, complete and submit the Social Security Number/Taxpayer Identification Number Update Form to the Office of the Registrar by December 31, 2015, at 5 p.m.

You may mail, fax or hand-deliver the completed form to our office (do not send by email):

The university is required to keep this information for the following reasons:

- Tax reporting: By federal law, the university must report to the Internal Revenue Service (IRS) the name, address and SSN or ITIN of every tuition-paying student as supporting data for education-related tax credits.
- State of Colorado College Opportunity Fund (COF) stipends for undergraduate students
- Informal credit relationships, such as past due charges for tuition, fees, housing, etc.
- On-campus student employment
- Financial aid applications

The university will use this information only for the purposes listed above. The university takes appropriate measures to protect the confidentiality and security of personally identifiable information and will not disclose an SSN or ITIN for any purpose not permitted by law or policy, including the Family Educational Rights and Privacy Act of 1974, without your consent.

Faculty/staff – If you are taking classes, you must complete this process to have your SSN/ITIN included in the student information system. This is the only way you will receive a 1098T form for tax-reporting purposes.
