

Application Form for UROP Research Assistantship

The Undergraduate Research Opportunities Program will pay undergraduates \$8.00 per hour for up to 100 hours to assist faculty with their research or creative work. While it is expected that the time a student spends as an assistant will contribute to the faculty member's work, it is also expected that the student will learn some of the research methods, procedures, or creative techniques common to the academic discipline.

If you have questions, please visit our website: www.colorado.edu/Research/UROP/studgrants.htm

Student's Name		Student ID Number	Total Credit Hours Earned
Mailing Address		City, State, Zip Code	
Telephone Number	Major	CU Email Address	
Faculty Sponsor			Rank
Department	Campus Box	Telephone Number	Email Address

Student Section

On a separate sheet of paper, please type a one page essay describing what you hope to gain through this assistantship. What expectations do you have? How will participation in your faculty sponsor's work contribute to your academic and/or professional goals? Do you plan to advance to other undergraduate research/creative programs (i.e. Standard UROP Grant, McNair, Biological Sciences Initiative, Honors) following this assistantship?
